Important Notes

- Singlife Care Collab partner rates and access are available to Singlife Health or Life policyholders. The list of eligible products and riders may be updated from time to time. For more info, please visit www.singlife.com
- Customers will receive an eDM from Singlife upon Cancer/Stroke-related Life claim submissions. This may be expanded to include other claim conditions in future.
 - Unlock upon purchase of a Singlife CareShield Standard/Plus and/or an eligible Singlife Critical Illness plan from 22 August 2026. The Care Collab Caregiver Relief Benefit is expected to launch in Q1 2027. More information will be available on the [Singlife Care Collab Benefits](#) page closer to the launch date.

Disclaimer

Singlife Care Collab is a value-added collaboration between Singapore Life Ltd. (“Singlife”) and third-party providers. Services and programmes are subject to eligibility criteria, availability, charges and applicable terms and conditions imposed by the providers. Singlife does not provide, and is not to be construed as, providing medical, healthcare, rehabilitation, caregiving, estate planning or any other services, and makes no representation or warranty regarding the quality, availability, fitness for purpose, merchantability or suitability of the services or programmes. Engagement with any provider is solely between the customer and the provider and Singlife is not responsible for any injury, damages, losses, costs or expenses howsoever suffered or incurred in connection with the services, programmes, advice or products from the providers. Insurance benefits are subject to applicable policy terms, conditions, limits, exclusions and eligibility criteria. Coverage, benefits and provider offerings may be modified, replaced, suspended or withdrawn at any time without notice or liability.
