

CONTROLLING PERSON

Why are we asking you to complete the form?

Regulations based on the Singapore Income Tax Act 1947 and OECD Common Reporting Standard (“CRS”) for Automatic Exchange of Financial Information require Singapore Life Ltd. to collect and report certain information about an Account Holder’s tax residence and if applicable, the tax residence status of each natural person that is a Controlling Person. This will usually be where you are liable to pay income taxes. Special circumstances may cause you to be a resident elsewhere or a resident in more than one country/ jurisdiction at the same time (dual residency). We may be legally obliged to give the Inland Revenue Authority of Singapore (IRAS) this information, along with information relating to your policies, which may be shared between different countries’ tax authorities.

To help us collect this information, we need you to complete the questions and return this form to us.

If your circumstances change and any of the information provided in this form becomes incorrect, please let us know by providing us with an updated self-certification form.

Who should complete the CRS Self Certification Form for a Controlling Person?

If you are an individual who has ultimate control of a Passive Entity (for example, the entity is a trust or investment vehicle), you are a Controlling Person and you will be required to complete this form.

Where you need to self-certify on behalf of an Entity (which includes businesses, professionally managed trusts and partnerships), please complete the “CRS Self Certification Form for Entity”. Similarly, if you are an individual Account Holder, please complete the “CRS Self Certification Form for Individual”. You can find these forms at www.singlife.com/CRS.

For multiple Controlling Persons, each individual will need to complete a copy of the form.

If you have provided information in relation to the United States Government Foreign Account Tax Compliance Act (FATCA), you are still required to provide additional information for the CRS as this is a separate regulation.

If you are completing this form on behalf of a Controlling Person

Please tell us in what capacity you are signing in Section 5. For example, you may be a representative of the Entity or completing the form under a Power of Attorney.

Where to go for further information?

You may obtain more information on CRS from the OECD website at www.oecd.org/tax/automatic-exchange/common-reporting-standard or visit www.singlife.com/CRS. If you have any questions on how to define your tax residency status, please speak to a professional tax adviser as we are not allowed to give tax advice.

APPENDIX - DEFINITIONS

Note: The following selected definitions are provided to assist you with the completion of this form. If you have any questions about tax principles that affect the tax residence of an individual who is a Controlling Person, please contact a tax adviser or the applicable tax authority.

"Account Holder" means the person listed or identified as the holder of the Policy. A person holding a Policy for the benefit of another person as an agent, custodian, nominee, signatory, advisor, intermediary or as a legal guardian is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is/are identified as exercising control of the Entity through ownership interests, then under the CRS the Reportable Person is deemed to be the natural person who hold the position of senior managing official.

"Beneficiary's" details need to be included if he/she owns or is entitled to at least 25% of the trust property.

"Controlling Person(s)" is the natural person(s) who exercise ultimate control over an entity. In the case of a trust, the Controlling Person(s) are the Settlor(s), Trustee(s), Protector(s) (if any), Beneficiary(ies) or Class(es) of Beneficiaries, regardless of whether any of them exercise control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

"Entity" means a legal person or legal arrangement, such as a corporation, organisation, partnership, trust or foundation. This term covers any person other than an individual (i.e. a natural person).

"Policy" means Cash Value Insurance Contracts and Annuity Contracts maintained by Singapore Life Ltd.

"Shareholder's" or **"Senior Managing Official's"** details only need to be included if he/she own or control more than 25% of the shares or voting rights, or otherwise exercise control of the management e.g. if they own less than 25% but his/her percentage of ownership is significantly higher than that of any other shareholders. Where no natural person is seen as exercising control of an Entity, the Controlling Person of the Entity will be the natural person(s) who holds the position of senior managing official.

"TIN" means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal.
