FREE Disability Protection

Severe disability can affect anyone, at any age. While your loved ones may commit to care for you, it's never easy to fully depend on others. We are here to help make life better when unexpected situations cause you to require long-term care. The Singlife FREE Disability Support Programme can help you receive financial support if you become severely disabled.

4 great reasons why you shouldn't miss this great deal

FREE protection for up to 10 months¹!

Sign up for our complimentary support programme and be protected if you become severely disabled.

\$600/month payout for up to 5 years² if you become severely disabled during the programme period and are no longer able to perform three Activities of Daily Living (ADL)³. This is on top of the payouts that you will receive from your CareShield Life.

Purchase long-term care insurance⁴ with no questions asked

Even if your health status changes while you are a member of the programme, you'll still have the option to purchase a CareShield Life Supplement from Singlife, with no loading or exclusion⁴.
