**KEY FEATURES OF THE SUB-FUND**

**WHAT ARE YOU INVESTING IN?**

Refer to Page 30 and 31 of the Underlying Fund's Prospectus for further information on features of the sub-fund.

- You are investing in an ILP sub-fund that feeds 100% into the Underlying Fund, a sub-fund of abrdrn SICAV I which is an open-ended investment company with a legal status of a société d'investissement à capital variable (a "SICAV") incorporated in Luxembourg and qualifying as a UCITS the law of the Grand Duchy of Luxembourg concerning undertakings for collective investment dated 17 December 2010.

**Investment Strategy**

- The Underlying Fund invests at least 90% in equities and equity related securities of companies listed, incorporated or domiciled in Asia Pacific countries (excluding Japan) or companies that derive a significant proportion of their revenues or profits from Asia Pacific countries (excluding Japan) operations; or have significant proportion of their assets there.

<sup>1</sup> For ILP sub-fund that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

<sup>2</sup> In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

- (a) to invest only in deposits or other Excluded Investment Products; and
- (b) not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of "Excluded Investment Product" can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>.

\* 7 March 2006 is the launch date of the ILP sub-fund. Previously known as 26 April 1988, which was the Underlying Fund's launch date.

<ul style="list-style-type: none"> <li>• The Underlying Fund may invest up to 30% of its net assets in Mainland China equity and equity-related securities, although only up to 20% may be invested directly through QFI regime, the Shanghai-Hong Kong and Shenzhen-Hong Kong Stock Connect programme or by any other available means.</li> <li>• The Underlying Fund is actively managed. The Underlying Fund aims to outperform the MSCI AC Asia Pacific ex Japan Index (USD) benchmark before charges.</li> <li>• The benchmark is used as a reference point for portfolio construction and as a basis for setting risk constraints, but does not incorporate any sustainable criteria.</li> <li>• In order to achieve its objective, the Underlying Fund will take positions whose weightings diverge from the benchmark and invest in securities which are not included in the benchmark. The investments of the Underlying Fund may deviate significantly from the components and their respective weightings in the benchmark. Due to the active and sustainable nature of the management process, the Underlying Fund's performance profile may deviate significantly from that of the benchmark.</li> <li>• The Underlying Fund promotes environmental and social characteristics but does not have a sustainable investment objective.</li> <li>• Investment in all equity and equity-related securities will follow Aberdeen's "Asia Pacific Sustainable Equity Investment Approach.</li> <li>• Through the application of this approach the Underlying Fund has an expected minimum of 40% in Sustainable Investments. Furthermore, the Underlying Fund targets an ESG rating that is equal to or better, and a meaningfully lower carbon intensity, than the benchmark.</li> <li>• This approach utilises Aberdeen's equity investment process, which enables portfolio managers to qualitatively identify and focus investment in sustainable leaders and improvers. Sustainable leaders are viewed as companies with the best in class ESG credentials or products and services which address global environmental and societal challenges, whilst improvers are typically companies with average governance, ESG management practices and disclosure with potential for improvement.</li> <li>• The abrdn Asia Pacific Sustainable Equity Investment Approach reduces the benchmark investable universe by a minimum of 20%.</li> <li>• Financial derivative instruments, money-market instruments and cash may not adhere to this approach.</li> </ul>	<p>Refer to Page 30 and 31 of the Underlying Fund's Prospectus for further information on the investment strategy of the sub-fund.</p>

**Product-Specific Risks**

**You are exposed to Equity Risk.**

- The Underlying fund invests in equity and equity related securities. These are sensitive to variations in the stock markets which can be volatile and change substantially in short periods of time.

**You are exposed to Specific Regional Market Risk.**

- The Underlying Fund invests in a specific regional market sector, which is the Asia Pacific countries (excluding Japan) and is likely to be more volatile than a more widely invested fund.

**You are exposed to Derivatives Risk.**

- Derivatives may be used for hedging or efficient portfolio management.
- In adverse situation, the Underlying Fund’s use of financial derivative instruments may become ineffective, and the Underlying Fund may suffer significant losses.
- The use of derivatives carries the risk of reduced liquidity, substantial loss and increased volatility in adverse market conditions, such as a failure amongst market participants. The use of derivatives may result in the Underlying Fund being leveraged (where market exposure and thus the potential for loss by the Underlying Fund exceeds the amount it has invested) and in these market conditions the effect of leverage will be to magnify losses.

**You are exposed to Emerging Markets Risk.**

- The Underlying fund invests in emerging market equities and / or bonds. Investing in emerging markets involves a greater risk of loss than investing in more developed markets due to, among other factors, greater political, tax, economic, foreign exchange, liquidity and regulatory risks.

**You are exposed to Exchange Rates Risk.**

- Investing in China A shares involves special considerations and risks, including greater price volatility, a less developed regulatory and legal framework, exchange rate risk/controls, settlement, tax, quota, liquidity and regulatory risks.
- The Underlying Fund may invest in companies with Variable Interest Entity (VIE) structures in order to gain exposure to industries with foreign ownership restrictions. There is a risk that investments in these structures may be adversely affected by changes in the legal and regulatory framework.
- Investing in China A shares involves special considerations and risks, including greater price volatility, a less developed regulatory and legal framework, exchange rate risk/controls, settlement, tax, quota, liquidity and regulatory risks.
- Applying ESG and sustainability criteria in the investment process may result in the exclusion of securities within the fund's benchmark or universe of potential investments. The interpretation of ESG and sustainability criteria is subjective meaning that the fund may invest in companies which similar funds do not (and thus perform differently) and which do not align with the personal views of any individual investor.

## VALUATIONS AND EXITING FROM THIS INVESTMENT

### HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at [www.singlife.com](http://www.singlife.com).

### HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
  - before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
  - after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application. This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 

For a partial withdrawal request of 1000 units of an investment-linked fund.

  - Assuming the unit price of the fund is S\$1.50:

The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
