SUB-FUND SUITABILITY

WHO IS THE SUB-FUND SUITABLE FOR?

The ILP sub-fund is only suitable for investors who:

- seek highest possible appreciation of capital invested while accepting a broad distribution of risks.
- are comfortable with the volatility and risks of a money market fund which may make use of financial derivatives as part of its investment policy, for hedging and/or for efficient portfolio management, and may also carry out securities lending transactions.

Further Information

Please refer to the Underlying Fund's Luxembourg Prospectus, Book II, for further information on sub-fund suitability.

KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP sub-fund that feeds 100% into the Underlying Fund, an UCITS compliant sub-fund constituted in Luxembourg that aims to provide you with returns through medium term capital growth by investing to achieve the best possible return in euro in line with prevailing money market rates, over a 3-month period while aiming to preserve capital consistent with such rates and to maintain a high degree of liquidity and diversification; the 3-month period corresponds to the recommended investment horizon of the sub-fund.
- Capitalisation shares will retain their income to reinvest.

Please refer to the Underlying Fund's Luxembourg Prospectus, Book I – General Provisions, for further information on key features of the sub-fund.

Investment Strategy

The Underlying Fund is a standard variable net asset value money market fund as defined by Regulation 2017/1131.
The Underlying Fund invests within the limits set out in Appendix 1 of Book 1 of the Underlying Fund's Luxembourg Prospectus in a diversified portfolio of EUR denominated Money market instruments, Deposits with credit institutions, units or shares of short term Money Market Funds (MMF) or other Standard MMF in EUR.

Please refer to the Underlying Fund's Luxembourg Prospectus, Book II, for

¹ For ILP sub-fund that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

(a) to invest only in deposits or other Excluded Investment Products; and

(b) not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of "Excluded Investment Product" can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>.

* 18 March 2011 is the launch date of the ILP sub-fund. Previously known as 7 February 1991, which was the Underlying Fund's launch date.

The Underlying Fund may hold ancillary liquid assets denominated in EUR within the limits and condition described in Book I, Appendix 1 section II “Specific Rules for Money Market Sub-Funds’ point 7 of the Luxembourg Prospectus.

Financial derivative instruments (e.g. IRS) are used only for the purpose of hedging the interest rate of the Underlying Fund. The impact of these financial derivative instruments will be taken into account for the calculation of the Weighted Average Maturity (WAM).

These investments must fulfil the Portfolio rules set out in Appendix 1 of Book 1 of the Underlying Fund’s Luxembourg Prospectus.

Sustainable Investment policy

The Investment Manager applies also BNP PARIBAS ASSET MANAGEMENT’s Sustainable Investment Policy, which takes into account Environmental, Social and Governance (ESG) criteria in the investments process of the Underlying Fund as set out in Book I of the Underlying Fund’s Luxembourg Prospectus.

The Underlying Fund respects the Minimum Extra-Financial Analysis coverage rate, as set out in Book I of the Luxembourg Prospectus. The average portfolio ESG score of the Underlying Fund is higher than the one of its investment universe, being all the short-term debt and money market issuers.

Information relating to Sustainable Finance Disclosure Regulation (“SFDR”)³ and Taxonomy Regulation⁴

The Underlying Fund promotes environmental and / or social characteristics, provided that the companies in which the investments are made follow good governance practices, in accordance with article 8 of SFDR and it does not commit to make any sustainable investment within the meaning of SFDR.

INFORMATION ABOUT THE ENVIRONMENTAL OR SOCIAL CHARACTERISTICS RELATING TO THIS SUB-FUND IS AVAILABLE IN THE ANNEX OF THE LUXEMBOURG PROSPECTUS SET OUT IN BOOK III.

A summary of the commitments is also available in Appendix 5 of Book I of the Luxembourg Prospectus.

³ Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector, also known as the Sustainable Finance Disclosure Regulation and that lays down harmonised rules for financial market participants on transparency with regard to the integration of sustainability risks and the consideration of adverse sustainability impacts in their processes and the provision of sustainability-related information with respect to financial products.

⁴ Regulation (EU) 2020/852 of the European Parliament and of the Council of 18 June 2020 on the establishment of a framework to facilitate sustainable investments, and amending Regulation (EU) 2019/2088 (Taxonomy Regulation), and that implements the criteria for determining whether an economic activity qualifies as environmentally sustainable.

KEY RISKS

WHAT ARE THE KEY RISKS OF THIS INVESTMENT?

The value of the ILP sub-fund may rise or fall. The following key risk factors may cause you to lose some or all of your investment:

Please refer to the Underlying Fund’s Luxembourg

		Prospectus, Book I - Appendix 3 for further information on the risks of the sub-fund.								
Market and Credit Risks										
You are exposed to market risks <ul style="list-style-type: none">Your investment may go up or down due to changing economic, political or market conditions that impact the assets in which the Underlying Fund invests in. You are also exposed to credit risk										
Liquidity Risks										
The ILP sub-fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP sub-fund.										
Product-Specific Risks										
You are exposed to extra-financial criteria investment risk <ul style="list-style-type: none">An extra-financial approach may be implemented in a different way by management companies when setting investment management objectives for financial products, in particular in view of the absence of common or harmonized labels at European Level. This also means that it may be difficult to compare strategies integrating extra-financial criteria to the extent that the selection and weightings applied to select investments may be based on metrics that may share the same name but have different underlying meanings. In evaluating a security based on the extra-financial criteria, the Investment Manager may also use data sources provided by external extra-financial research providers. Given the evolving nature of the extra-financial field, these data sources may for the time being be incomplete, inaccurate, unavailable or updated. Applying responsible business conduct standards as well as extra-financial criteria in the investment process may lead to the exclusion of securities of certain issuers. Consequently, the Underlying Fund's financial performance may at times be better or worse than the performance of relatable funds that do not apply such standards. In addition, the proprietary methodologies used to take into account ESG non-financial criteria may be subject to reviews in the event of regulatory developments or updates that may lead, in accordance with the applicable regulations, to the increase or decrease of the classification of products, of the indicators used or of the minimum investment commitment levels set. You are also exposed to operational risk and custody risk		Please refer to the Underlying Fund's Prospectus, Book 1 – Appendix 3 and Book II for further details on the product-specific risks of the sub-fund.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at www.singlife.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly inceptioned, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
 - after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application. This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 For a partial withdrawal request of 1000 units of an investment-linked fund.
 - Assuming the unit price of the fund is S\$1.50:
 The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
