KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP Sub-Fund that feeds 100% into the Underlying Fund, an open-ended investment company established in Luxembourg as a SICAV.
- The Underlying Fund aims to achieve income and capital growth by primarily investing in a broad range of fixed income instruments of issuers globally, including those located,

Refer to "The Fund" and "The Sub-Funds and Share Classes" section of the Underlying Fund's Prospectus for further

¹ For ILP Sub-Funds that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP Sub-Fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP Sub-Fund, and investment approach of the manager have to be stated in the product summary:

- (a) to invest only in deposits or other Excluded Investment Products; and
(b) not to engage in securities lending or repurchase transactions for the ILP Sub-Fund.

The definition of “Excluded Investment Product” can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>.

<p>listed or exposed to emerging markets, either denominated in Sterling or other currencies.</p> <ul style="list-style-type: none"> Dividends paid out from the Underlying Fund will be allocated to You by allocating additional Units of the relevant distribution class Fund to the Policy. Units of the relevant ILP Sub-Fund will be allocated by the reinvestment of the dividends, as and when paid by that Underlying Fund, into the same Underlying Fund at the Unit Price. The additional Units will be allocated to Your Policy. 	<p>information on the key features of the Sub-Fund.</p>
<p>Investment Strategy</p>	
<ul style="list-style-type: none"> The Underlying Fund aims to achieve income and capital growth by primarily investing in a broad range of fixed income instruments of issuers globally, including those located, listed or exposed to emerging markets, either denominated in Sterling or other currencies. Emerging market debt may include investments within, although not limited to, Latin America, Asia, Africa, Eastern Europe (including Russia) and the Middle East. Exposure to non-Sterling denominated debt securities will be largely hedged back to Sterling. A minimum of 50% of the Underlying Fund's net assets will be invested in securities deemed to maintain sustainable characteristics. The Underlying Fund will consider a wide range of environmental and social characteristics on an ongoing basis. Environmental characteristics include but are not limited to climate change, mitigation and adaptation, water and waste management and biodiversity, while social characteristics include but are not limited to product safety, supply chain, health and safety and human rights. Environmental and social characteristics are analysed by Fidelity's fundamental analysts and rated through Fidelity Sustainability Ratings. The Underlying Fund is actively managed and references the ICE BofA Q880 Custom Index (a custom blend of government, investment grade and high yield corporate bond indices) (the "Benchmark") for performance comparison only. Shareholders' attention is drawn to the fact that the Benchmark is not a Benchmark which integrates environmental and social considerations. Instead, the Underlying Fund promotes environmental and social characteristics by adhering to Fidelity's sustainable investing framework. FDIs may be used to reduce risks or costs or to generate additional capital or income in order to meet the Underlying Fund's investment objective. The Underlying Fund may also use FDIs for investment purposes or use complex FDIs or strategies as further described in the Underlying Fund's investment objective. 	<p>Refer to "Investment Objectives" section of the Underlying Fund's Prospectus for further information on investment strategy of the Sub-Fund.</p>
<p>Parties Involved</p>	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> The Umbrella of the Underlying Fund is Fidelity Funds. The Management Company is FIL Investment Management (Luxembourg) S.A. The Investment Manager of the Underlying Fund is FIL Fund Management Limited, who may sub-delegate the investment management of the Underlying Fund to one or more sub-managers within or outside of the FIL Group (as listed in paragraph 3.4 of the Underlying Fund's Prospectus). The Custodian of the Underlying Fund is Brown Brothers Harriman (Luxembourg) S.C.A.. The Singapore Representative is FIL Investment Management (Singapore) Limited. 	<p>Refer to "Management and Administration" and "Other Parties" sections of the Underlying Fund's Prospectus for further information on the role and responsibilities of these entities.</p>

<p>Liquidity Risks</p>	
<p>The ILP Sub-Fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP Sub-Fund.</p>	
<p>Product-Specific Risks</p>	
<p>You are exposed to risk associated with distribution out of/effectively out of the Underlying Fund's capital.</p> <ul style="list-style-type: none"> Payment of dividends out of capital and/or effectively out of capital amounts to a return or withdrawal of part of your original investment or any capital gains, and may immediately reduce the NAV per share. <p>You are exposed to Bonds and other Debt Instruments, downgrading risk, credit/default risk and credit rating risk and valuation risk.</p> <ul style="list-style-type: none"> The value of bonds and debt instruments will fluctuate depending on e.g. market interest rates, issuer's credit quality, and liquidity considerations, and there are risks of downgrading, credit/default, credit rating and valuation associated with such investment. <p>You are exposed to Sovereign Debt Risk.</p> <ul style="list-style-type: none"> Investments in securities issued or guaranteed by governments may involve political, social and economic risks. The Underlying Fund may suffer significant losses if issuers default or restructure such debts. <p>You are exposed to Risk associated with Debt Securities Rated Below Investment Grade/Unrated Securities and High Yielding Debt Instruments.</p> <ul style="list-style-type: none"> Unrated or below investment grade securities generally have lower liquidity, higher volatility, heightened risk of default and loss of principal and interest than higher-rated/lower yielding debt securities. <p>You are exposed to Risks associated with high use of FDIs.</p> <ul style="list-style-type: none"> The Underlying Fund may use FDIs for investment purposes or use complex derivatives or strategies to meet its investment objectives. FDIs may involve liquidity, counterparty credit, volatility, valuations and OTC transaction risks, and may cause losses significantly greater than the amount invested in FDI by the Underlying Fund due to leverage. High Leverage Risks - The Underlying Fund may have a high net leverage exposure which will magnify any potential negative impact of any change in the value of the underlying asset and also increase the volatility of the Underlying Fund's price and lead to significant losses. The Underlying Fund may implement active currency positions which may not be correlated with the underlying securities positions held. This may result in the 	

Underlying Fund suffering a significant or total loss even if there is no loss of the value of the underlying securities positions.

You are exposed to Income-producing Securities Risk.

- There is no guarantee that the Underlying Fund’s investments will generate income.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP Sub-Funds will be priced based on the frequency of the fund manager’s pricing. The fund prices are updated daily and are available at Singapore Life Ltd.’s website at www.singlife.com

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.

<ul style="list-style-type: none"> • For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.: <ul style="list-style-type: none"> (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request. (b) after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day. • The ILP Sub-Fund will have a single “dealing” price used for all switches and withdrawals/surrenders. There is no bid/offer spread. • All ILP Sub-Funds will be priced based on the frequency of the fund manager’s pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application. This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days’ prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities. • The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows: <ul style="list-style-type: none"> For a partial withdrawal request of 1000 units of an investment-linked fund. - Assuming the unit price of the fund is S\$1.50: The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.
