<ul style="list-style-type: none"> The Underlying Fund aims to provide income and moderate capital growth over the medium to longer term by actively allocating to, and within, different asset classes including equity, fixed income, commodity, infrastructure, real estate and cash. Dividends paid out from the Underlying Fund may be declared yearly, quarterly or monthly and made out of net income, gross income and/or capital. Distributions are not guaranteed and will normally reduce the Underlying Fund's NAV. Distributions out of capital may amount to a partial return of your original investment and may reduce future returns. 	<p>Share Classes"section of the Underlying Fund's Prospectus for further information on the key features of the Sub-Fund.</p>
Investment Strategy	
<ul style="list-style-type: none"> The Underlying Fund aims to provide income and moderate capital growth over the medium to longer term by actively allocating to, and within, different asset classes including equity, fixed income, commodity, infrastructure, real estate and cash. As this Underlying Fund may invest globally, it may be exposed to countries considered to be emerging markets, including Russia and China. For China, the Underlying Fund may invest its net assets directly in China A and B Shares and/or onshore China fixed income securities listed or traded on any Eligible Market in China. The Underlying Fund is part of the Fidelity Sustainable Family of Funds and adopts a sustainable focused strategy under which a minimum of 70% of the Underlying Fund's net assets will be invested in securities deemed to maintain sustainable characteristics. The Underlying Fund is actively managed without reference to an index. The Underlying Fund's exposure to Distressed Securities is limited to 10% of its assets. FDIs may be used to reduce risks or costs or to generate additional capital or income in order to meet the Underlying Fund's investment objective. 	<p>Refer to "Investment Objectives" section of the Underlying Fund's Prospectus for further information on investment strategy of the Sub-Fund.</p>
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> The Umbrella of the Underlying Fund is Fidelity Funds. The Management Company is FIL Investment Management (Luxembourg) S.A. The Investment Manager of the Underlying Fund is FIL Fund Management Limited, who may sub-delegate the investment management of the Underlying Fund to one or more sub-managers within or outside of the FIL Group (as listed in paragraph 3.4 of the Underlying Fund's Prospectus). The Custodian of the Underlying Fund is Brown Brothers Harriman (Luxembourg) S.C.A.. The Singapore Representative is FIL Investment Management (Singapore) Limited. 	<p>Refer to "Management and Administration" and "Other Parties" sections of the Underlying Fund's Prospectus for further information on the role and responsibilities of these entities.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the ILP Sub-Fund may rise or fall. The following key risk factors may cause you to lose some or all of your investment:</p>	<p>Refer to the "Risk Factors" section of the Underlying Fund's Prospectus for further information on risks of the Sub-Fund.</p>
Market and Credit Risks	

<p>You are exposed to Foreign Currency Risk</p> <ul style="list-style-type: none"> The Underlying Fund’s NAV may be adversely affected by exchange rate fluctuations between the currency of denomination of assets/share class and the Base Currency, and changes in exchange rate controls. <p>You are exposed to Equities Risk.</p> <ul style="list-style-type: none"> Investments in equities securities may sometimes fluctuate dramatically due to the activities and results of individual companies, or the general market and economic conditions or events. <p>You are exposed to Eurozone Risk.</p> <ul style="list-style-type: none"> Investments in the Eurozone may be subject to higher volatility, liquidity, currency and default risks due to concerns on the sovereign debt risk of certain Eurozone countries. Any adverse events may affect the Underlying Fund’s value. <p>You are exposed to Emerging Markets Risk.</p> <ul style="list-style-type: none"> Prices of emerging market securities may be more volatile and/or less liquid than the prices of securities in more developed markets due to political, economic, legal, taxation, settlement, transfer of securities, custody and currency/currency control factors. 	
Liquidity Risks	
<p>The ILP Sub-Fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP Sub-Fund.</p>	
Product-Specific Risks	
<p>You are exposed to Bonds and other Debt Instruments, downgrading risk, credit/default risk and credit rating risk and valuation risk.</p> <ul style="list-style-type: none"> The value of bonds and debt instruments will fluctuate depending on e.g. market interest rates, issuer’s credit quality, and liquidity considerations, and there are risks of downgrading, credit/default, credit rating and valuation associated with such investment. <p>You are exposed to Multi-Asset and dynamic asset allocation strategy Risk.</p> <ul style="list-style-type: none"> The Underlying Fund’s overall risk depends on the correlation of returns between each asset class and a change may result in higher volatility and/or lower diversification. Also, greater transaction costs may be incurred due to periodic rebalancing. <p>You are exposed to China Assets Risk.</p> <ul style="list-style-type: none"> Uncertainty in and changes to the PRC laws, regulations and government policies may adversely impact the Underlying Fund. Prices of securities may fluctuate significantly due to high market volatility and settlement difficulties in the PRC markets. <p>You are exposed to RMB Currency and Conversion Risk.</p> <ul style="list-style-type: none"> Difference in rates between RMB traded in Mainland China (CNY) and outside Mainland China (CNH) may adversely impact the Underlying Fund. Unlike CNH, CNY is not freely convertible and is subject to PRC exchange controls and certain requirements. Any depreciation of RMB could adversely affect the value of investor’s investment in the Underlying Fund. Payment of redemptions and/or dividends in RMB may be delayed due to the exchange controls and restrictions. <p>You are exposed to FDI Risk.</p> <ul style="list-style-type: none"> FDIs may involve liquidity, counterparty credit, volatility, valuations and OTC transaction risks, and may cause losses significantly greater than the amount invested in FDI by the Underlying Fund due to leverage. <p>You are exposed to Income-producing Securities Risk.</p> <ul style="list-style-type: none"> There is no guarantee that the Underlying Fund’s investments will generate income. <p>You are exposed to Risks associated with sustainable investing.</p>	

- Focus on securities of companies which maintain sustainable characteristics may affect an Underlying Fund’s investment performance. Also, the data for evaluating sustainable characteristics may be incomplete, inaccurate or unavailable. There is also a risk that the relevant sustainable characteristics may not be applied correctly or that the Underlying Fund could have indirect exposure to issuers who do not meet the relevant sustainable characteristics, and sustainable characteristics of a security can change over time.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.

following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.

- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
