<b>KEY RISKS</b>	
<b>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</b> The value of the ILP sub-fund may rise or fall. The following key risk factors may cause you to lose some or all of your investment:	<p>Refer to the "Risk Factors" section of the Underlying Fund's Singapore Prospectus for further information on risks of the sub-fund.</p>
<b>Market and Credit Risks</b>	
<p><b>You are exposed to the market risk</b></p> <ul style="list-style-type: none"> <li>• Prices of securities change daily, and can fall based on a wide variety of factors. The effects of market risk can be immediate or gradual, short-term or long-term, narrow or broad.</li> </ul> <p><b>You are exposed to equity risk</b></p> <ul style="list-style-type: none"> <li>• The value of equities may be volatile especially for small/mid-sized or fast growing companies. Equities priced below true value may remain undervalued. Those in bankruptcy/in restructuring may have no value.</li> </ul> <p><b>You are exposed to the counterparty risk</b></p> <ul style="list-style-type: none"> <li>• The Underlying Fund suffers loss if a counterparty defaults. The Underlying Fund can try to recover loss by using any associated collateral, but the collateral may be worth less than the cash or securities owed to it. The Underlying Fund's ability to meet its own obligations to other counterparties may be affected. This could delay the processing of redemptions. Securities lending transactions can carry counterparty risk.</li> </ul> <p><b>You are exposed to the credit risk</b></p> <ul style="list-style-type: none"> <li>• The value of a bond or money market security falls if the financial health of the issuer weakens. In extreme cases, the issuer may delay scheduled payments to investors, or may become unable to make payments, and the issuer's bonds or money market securities may become worthless.</li> </ul>	

Liquidity Risks	
<b>The ILP sub-fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP sub-fund.</b>	
Product-Specific Risks	
<p><b>You are exposed to leverage risk</b></p> <ul style="list-style-type: none"> <li>To the extent the Underlying Fund creates leverage, its NAV is likely to be more volatile and the risk of large losses is greater.</li> </ul> <p><b>You are exposed to derivatives risk</b></p> <ul style="list-style-type: none"> <li>Derivatives transactions are complex and more volatile than traditional investments. They may involve losses that are significantly greater than the cost of the derivative. The pricing and volatility of some derivatives may diverge from the pricing or volatility of their underlying reference(s).</li> <li>OTC derivatives are less highly regulated than market-traded securities, and carry greater counterparty risk and liquidity risk. A suspension of trading in derivatives or their underlying assets could make it impossible to realise gains or avoid losses, and could delay the redemptions of shares.</li> </ul> <p><b>You are exposed to interest rate risk</b></p> <ul style="list-style-type: none"> <li>When interest rates rise, bond values generally fall. The longer the maturity of bond investments, and the higher the credit quality of the bond, the greater the risk.</li> </ul> <p><b>You are exposed to currency risk</b></p> <ul style="list-style-type: none"> <li>Changes in currency exchange rates could reduce investment gains or increase investment losses and can happen rapidly and unpredictably.</li> </ul> <p><b>You are exposed to operational risk</b></p> <ul style="list-style-type: none"> <li>Human error or process/system failures, internally or at our= service providers, could create losses for the Underlying Fund.</li> </ul> <p><b>You are exposed to real estate investments risk</b></p> <ul style="list-style-type: none"> <li>Real estate values and earnings can fluctuate more than bonds or shares and can be hurt by many factors (e.g. changing demographics, high tax rates, rent defaults). Their valuations are somewhat subjective.</li> </ul> <p><b>You are exposed to commodity investment risk</b></p> <ul style="list-style-type: none"> <li>Commodity investments are subject to greater volatility and additional risks (e.g. political risk, natural events, terrorism).</li> </ul> <p><b>You are exposed to carbon credit risk.</b></p> <ul style="list-style-type: none"> <li>The value of the Underlying Fund may be affected by the demand for and price volatility of carbon credits.</li> </ul> <p><b>You are exposed to the risk of investment in other UCITS or UCIs</b></p> <ul style="list-style-type: none"> <li>Investors may pay investment and/or management fees both to the Underlying Fund and to the sub-fund, which could be higher than the investor might pay to invest directly in a similar investment.</li> </ul> <p><b>You are exposed to Stock Connect risk</b></p> <ul style="list-style-type: none"> <li>Investments via Stock Connect are subject to quota limitations, clearing and settlement risks, legal/beneficial ownership risks, operational and regulatory risks, and not protected by any investor compensation fund.</li> </ul> <p><b>You are exposed to CIBM risk</b></p> <ul style="list-style-type: none"> <li>Trading on the CIBM is subject to counterparty risk, emerging markets risk, liquidity risk, and lower investor protection. There is uncertainty in applying and interpreting regulations relating to CIBM.</li> </ul> <p><b>You are exposed to sustainability risk</b></p> <ul style="list-style-type: none"> <li>Sustainability risks may fluctuate depending on investment opportunities and this may impact the value of investments over the long term.</li> </ul>

## VALUATIONS AND EXITING FROM THIS INVESTMENT

### HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at [www.singlife.com](http://www.singlife.com)

### HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly inceptioned, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
  - before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
  - after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application. This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 

For a partial withdrawal request of 1000 units of an investment-linked fund.

  - Assuming the unit price of the fund is S\$1.50:

The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
