Product-Specific Risks

You are exposed to counterparty and collateral risk.

- A counterparty could be unwilling or unable to meet its obligations to the Underlying Fund. The value of collateral might not cover the full value of a transaction, or any fees or returns owed to the Underlying Fund.

You are exposed to currency risk.

- Any changes in currency exchange rates could significantly reduce investment gains or income, or increase investment losses.

You are exposed to derivatives risk.

- The value of derivatives can be volatile. Small movements in an underlying asset's value can create large changes in the derivative's value and expose the Underlying Fund to losses that could be greater than the cost of the derivative itself.

You are exposed to hedging risk.

- Hedging may not work as intended and involves costs, which reduce investment performance.

You are exposed to investment fund risk.

- Investing in an Underlying Fund involves certain risks an investor would not face if investing in markets directly, such as large outflows, valuation error and investment limitations.

You are exposed to operational risk.

- The Underlying Fund could suffer losses due to errors, service disruptions or other failures, fraud, corruption, cyber crime, instability, terrorism or other irregular events.

You are exposed to sustainable investing risk.

- The Underlying Fund may underperform the market or other funds that do not apply sustainability criteria.

You are exposed to volatility risk.

- The Underlying Fund's NAV has potential for high volatility due to its investment policy or portfolio management techniques.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at www.singlife.com

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
 - after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application. This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 For a partial withdrawal request of 1000 units of an investment-linked fund.
 - Assuming the unit price of the fund is S\$1.50:
 The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.

APPENDIX: GLOSSARY OF TERMS

Business Day:	A day on which the banks in Singapore and Luxembourg are normally open for business.
Manager:	Referred to as the Management Company in the Prospectus.
NAV:	As the case may be, the value of the assets less liabilities of the sub-fund, of the Underlying Fund, of a class of Shares or of a Share in the Underlying Fund determined in accordance with the "Net Asset Value and Swing Pricing" section of the Prospectus.
Prospectus:	Singapore Prospectus of Fidelity Funds.
SPAC:	Special purpose acquisition company; a SPAC generally invests its assets in government securities, money market fund securities and cash, which is returned to shareholders in the event that the assets are not used to complete an acquisition within a specified period of time. SPACs and similar entities are listed shell companies without an operating history or ongoing business, other than seeking acquisitions, therefore the value of their securities is dependent on the ability of the entity's management to identify and complete an acquisition.
Underlying Fund:	Fidelity Funds - Pacific Fund A USD
Valuation Date:	Each weekday (any Monday to Friday inclusive) excluding 25 December ('Christmas Day') and 1 January ('New Year's Day') as well as any other day which the Directors have determined, in the best interests of the shareholders, as non-Valuation Dates for specific funds. Non-Valuation Dates may for example be any day observed as a holiday on a stock exchange which is the principal market for a significant portion of the investments attributable to a fund, or any day which is a holiday elsewhere so as to impede the calculation of fair market value of the investments attributable to a given fund, which may also include any day immediately preceding such relevant market closure where the dealing cut-off time of the relevant fund occurs at a time when the relevant underlying main market is already closed to trading and the following days are a period of consecutive market closure days.
