Investment Objectives, Focus & Approach

Fundsmith Equity Fund

The Underlying Fund is actively managed, which means that the investments are selected at the discretion of the investment manager. The investment objective of the Underlying Fund is to achieve long-term growth in value. The Underlying Fund will invest in equities

on a global basis. The Underlying Fund's approach is to be a long-term investor in its chosen stocks. It will not adopt short-term trading strategies. The Underlying Fund has stringent investment criteria which the Investment Manager adheres to in selecting securities for the Sub-fund's investment portfolio. These criteria aim to ensure that the Sub-fund invests in:

- high quality businesses that can sustain a high return on operating capital employed;
- businesses whose advantages are difficult to replicate;
- businesses which do not require significant leverage to generate returns;
- businesses with a high degree of certainty of growth from reinvestment of their cash flows at high rates of return;
- businesses that are resilient to change, particularly technological innovation; and/or
- businesses whose valuation is considered by the Investment Manager to be attractive.
- It is envisaged that the investment portfolio of the Sub-fund will be concentrated, generally comprising between 20 and 30 stocks.

The Underlying Fund takes sustainability risk and ESG characteristics into account as part of its selection process. In that respect, the Underlying Fund promotes environmental and/or social characteristics within the meaning of Article 8 of SFDR. For the assessment, areas like corporate strategy, corporate governance, transparency and the product and service range of a company are taken into account. More information can be found in the Prospectus.

Fundsmith Sustainable Equity Fund

The investment objective of the Underlying Fund is to achieve long term growth in value. The Underlying Fund will invest in equities on a global basis. The Underlying Fund's approach is to be a long-term investor in its chosen stocks. It will not adopt short-term trading strategies. The Underlying Fund has stringent investment criteria which the Investment Manager adheres to in selecting securities for the Sub-fund's investment portfolio. These criteria aim to ensure that the Underlying Fund invests in:

- high quality businesses that can sustain a high return on operating capital employed;
- businesses whose advantages are difficult to replicate;
- businesses which do not require significant leverage to generate returns;

- businesses whose valuation is considered by the Investment Manager to be attractive.
- It is envisaged that the investment portfolio of the Sub-fund will be concentrated, generally comprising between 20 and 30 stocks.

The Underlying Fund takes sustainability risk and ESG characteristics into account as part of its selection process. In that respect, the Sub-fund promotes environmental and/or social characteristics within the meaning of Article 8 of SFDR. For the assessment, areas like corporate strategy, corporate governance, transparency and the product and service range of a company are taken into account.

In addition to ESG criteria, other sustainability criteria are taken into account in the management of the Sub-fund such the United Nations Principles for Responsible Investment. The Investment Manager's responsible investment approaches can be summarised as "considering ESG issues when building a portfolio." and takes into account the following areas – integration, screening and thematic, engagement and proxy voting.

In addition to ESG criteria, the Underlying Fund will not invest in businesses which have substantial interests in any of the following sectors:

- Aerospace and Defence
- Brewers, Distillers and Vintners
- Casinos and Gaming
- Gas and Electric Utilities
- Metals and Mining
- Oil, Gas and Consumable Fuels
- Pornography
- Tobacco

For further information on the investment objective, focus and approach of the Underlying Funds, they are described in the respective Underlying Fund's Prospectus.

Risks

The ILP sub-fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP sub-fund.

Please refer to the section on “Risk Factors” in the respective Underlying Fund’s Prospectus for a description of the risk factors associated with investing in Fundsmith SICAV funds. The risks may include:

Currency Risk

The Underlying Fund’s portfolio is a global portfolio and many of the investments are not denominated in Euros. There is no currency hedging made by the Underlying Fund. The price of the shares may therefore rise or fall purely on account of exchange rate movements.

Concentration Risk

The Underlying Fund’s portfolio complies with the UCITS requirements on spread of investment. Having said that, application of the investment criteria described above significantly limits the number of potential investments: the Underlying Fund generally invests in 20 to 30 stocks and so it is more concentrated than many other Underlying Funds. This means that the performance of a single stock has a greater effect on the price of the Underlying Fund.

Operational Risk

Failures or delays in operational processes may negatively affect the Underlying Fund.

Sustainability risk

The Underlying Fund is subject to the risk that environmental, social or governance conditions or events may occur that may have a material negative impact on the value of its investments.

The above should not be considered to be an exhaustive list of the risks which you should consider before investing into the Underlying Fund. You should be aware that an investment in the Underlying Fund may be exposed to other risks of an exceptional nature from time to time.

* Annualised performance

¹ Performance shown in fund currency and calculated before sales charges are deducted. Fees and charges payable through deduction of premium or cancellation of units are excluded in deriving the performance. Performance is calculated on the assumption that all dividends and distributions are reinvested, taking into account all charges which would have been payable upon such reinvestment.

** Fund performance figures are unavailable as the inception date of this fund is less than 3 months.

Expense Ratio and Turnover Ratio

Underlying Fund Name	Expense Ratio [^]	Turnover Ratio [^]
Fundsmith Equity fund R Class Acc USD	NA	NA
Fundsmith Sustainable Equity Fund R Class Acc EUR	NA	NA

The expense and turnover ratios Expense Ratio and Turnover Ratio figures are unavailable as the Underlying Funds were launch less than 12 months.

The expense ratio does not include (where applicable) brokerage and other transaction costs, performance fee, interest expense, foreign exchange gains /losses, front or back-end loads arising from the purchase or sale of other funds and tax deducted at source or arising out of income received. It is calculated by dividing expenses by daily average NAV, and multiplied by the appropriate factor to annualise the figure and is disclosed as a percentage.

The turnover ratio is calculated based on net total trades less net creation/liquidation expressed as a percentage of the daily average net asset value.

Soft Dollar Commissions or Arrangements

The Management Company and the Investment Manager do not and will not be entitled to receive any soft-dollar commissions/arrangements in respect of their management of the Underlying Fund.

Conflicts of Interest

The Directors, the Management Company, the Investment Manager, the Depositary and the Administrator and/or their respective affiliates or any person connected with them (together the “Relevant Parties”) may from time to time act as directors, investment manager, manager, distributor, trustee, custodian, depositary, registrar, broker, administrator, investment adviser or dealer in relation to, or be otherwise involved in, other investment funds which have similar or different objectives to those of the Underlying Fundsmith SICAV funds or which may invest in the Underlying Fundsmith SICAV funds. It is, therefore, possible that any of them may, in the course of business, have actual or potential conflicts of interest with the Fundsmith SICAV funds. The Board of Directors and each of the Relevant Parties will, at all times, have regard in such event to its obligations to the Fundsmith SICAV funds and will endeavour to ensure that such conflicts are resolved timely and fairly.

In addition, subject to applicable law, any Relevant Party may deal, as principal or agent, with the Underlying Fundsmith SICAV funds, provided that such dealings are carried out as if effected on normal commercial terms negotiated on an arm’s length basis. Any Relevant Party may deal with the Underlying Fundsmith SICAV funds as principal or as agent, provided that it complies with applicable law and regulation and the provisions of the Management Company Agreement, the Investment Management Agreement, the Administration Agreement and/or the Depositary Agreement, where and to the extent applicable. In calculating the Underlying Fundsmith SICAV funds’s Net Asset Value, the Administrator may consult with the Management Company and the Investment Manager with respect to the valuation of certain investments. There is an inherent conflict of interest between the involvement of the Management Company and the Investment Manager in determining the Net Asset Value of the Underlying Fundsmith SICAV funds and the entitlement of the Management Company and the Investment Manager to a management fee which is calculated on the basis of the Net Asset Value of the Underlying Fundsmith SICAV funds. The Management Company and the Investment Manager or any of their affiliates or any person connected with them may invest in, directly or indirectly, or manage or advise other investment funds or accounts which invest in assets which may also be purchased or sold by the Underlying Fundsmith SICAV funds. Each of the Management Company and the Investment Manager has established and implemented a conflicts of interest policy that contains appropriate measures to mitigate such conflicts of interests. The foregoing does not purport to be a complete list of all potential conflicts of interest involved in an investment in the

Underlying Fundsmith SICAV funds. The Directors will seek to ensure that any conflict of interest of which they are aware is resolved timely and fairly.

Please refer to section “Conflicts of Interest” of the Underlying Fund’s Prospectus for more information.
