SUB-FUND SUITABILITY

WHO IS THE SUB-FUND SUITABLE FOR?

The ILP sub-fund is only suitable for investors who:

- seek a highest possible appreciation of capital invested while accepting a broad distribution of risks.
- seek capital growth over the medium term.
- are comfortable with the greater volatility and risks of an equity fund which may make use of financial derivatives as part of its investment policy, for hedging and/or for efficient portfolio management, and currently carries out securities lending transactions.

Further Information

Refer to the Underlying Fund's Luxembourg Prospectus, Book II of the Underlying Fund for further information on product suitability.

KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP sub-fund that feeds 100% into an Underlying Fund, a UCITS compliant Fund constituted in Luxembourg. The Underlying fund aims to provide you with returns through medium term capital growth by investing primarily in water related companies. The Underlying Fund's investment objective aims to generate a positive absolute return by actively managing a portfolio of negotiable debt securities on world markets.
- Distributions are not guaranteed and can be made out of the income, capital gains and/or capital of the Underlying Fund.

Refer to the Underlying Fund's Luxembourg Prospectus, Book I – General Provisions and for further information.

Investment Strategy

¹ For ILP sub-fund that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

- (a) to invest only in deposits or other Excluded Investment Products; and
(b) not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of "Excluded Investment Product" can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>

This thematic fund aims to invest in companies within the global water value chain. These companies support the protection and efficient use of water as a natural resource. At all times, this Underlying Fund invests at least 75% of its assets in equities and/or equity equivalent securities issued by companies that conduct a significant part of their business in water and related or connected sectors, with sustainable activities and processes. The remaining portion, namely a maximum of 25% of its assets, may be invested in any other transferable securities (including P-Notes), money market instruments, and/or cash, and also, within a limit of 15% of the assets, in debt securities of any kind and, within a limit of 10% of the assets, in UCITS or UCIs. In respect of the above investments limits, the Underlying Fund’s investments into “China A-Shares” via the Stock Connect may reach up to 25% of its assets.

Refer to “Investment Objective, Policy and Strategy” and “Use of Derivatives and Securities Lending” of the Underlying Fund’s Singapore Prospectus for further information on investment strategy of the sub-fund.

Sustainable Investment policy

The Underlying Fund’s Investment Manager applies BNP PARIBAS ASSET MANAGEMENT’s Sustainable Investment Policy, which takes into account Environmental, Social and Governance (ESG) criteria in the investment process of the Underlying Fund, falling under the Sustainable Plus/Thematic category as set out in Book I of the Luxembourg Prospectus. The ESG analysis applies to at least 90% of the issuers in the portfolio and along with its thematic focus leads to a reduction of at least 20% of the investment universe, being the large and mid-cap companies across the main markets of developed countries. This approach is supported by an active program of engagement with companies on a range of ESG factors, as well as proxy voting. Impact measurement and reporting* is also undertaken to provide post-investment evidence of the intention to help accelerate the transition to a more sustainable economy.

The impact report is available on the following link: <https://www.bnpparibas-am.lu/investisseur-prive-particulier/fundsheets/actions/bnp-paribas-aqua-classic-c-lu1165135440/?tab=documents>

Derivatives and Securities Financing Transactions Core Financial Derivatives Instruments may be used for efficient portfolio management and hedging as described in points 2 and 3 of Appendix 2 of Book 1 of the Luxembourg Prospectus. Information relating to Sustainable Finance Disclosure Regulation (“SFDR”)³ and Taxonomy Regulation⁴. The Underlying Fund has a sustainable investment objective in accordance with article 9 of SFDR. For further information on the product of the sub fund and information relating to SFDR and Taxonomy Regulation, please refer to the Luxembourg Prospectus, Book II of the Underlying-Fund.

³ Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector, also known as the Sustainable Finance Disclosure Regulation and that lays down harmonised rules for financial market participants on transparency with regard to the integration of sustainability risks and the consideration of adverse sustainability impacts in their processes and the provision of sustainability-related information with respect to financial products.

⁴ Regulation (EU) 2020/852 of the European Parliament and of the Council of 18 June 2020 on the establishment of a framework to facilitate sustainable investments, and amending Regulation (EU) 2019/2088 (Taxonomy Regulation), and that implements the criteria for determining whether an economic activity qualifies as environmentally sustainable.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at www.singlife.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
 - (b) after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.

- This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
For a partial withdrawal request of 1000 units of an investment-linked fund.
 - Assuming the unit price of the fund is S\$1.50:
The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.
