Summary Chart

Primary Investments	Average Portfolio Duration	Credit Quality	Distribution Frequency
Climate focused Fixed Income Instruments	2-8 years	Max 25% below Baa (except MBS/ABS)	NA

- The Underlying Fund may invest in both investment grade securities and high yield securities ("junk bonds"), subject to a maximum of 25% of its total assets in securities rated below Baa by Moody's, or equivalently rated by S&P or Fitch, or if unrated, determined by the Investment Advisor to be of comparable quality (except the Underlying Fund can invest without limitation in ABS and MBS). The average portfolio duration of the Underlying Fund will normally vary between 2 to 8 years based on the Investment Advisor's forecast for interest rates.
- The Underlying Fund may invest up to 25% of its total assets in Fixed Income Instruments economically tied to emerging market countries and without limit in investment grade sovereign debt denominated in local currency with < 1 year remaining to maturity.
- The Underlying Fund will invest opportunistically in a broad spectrum of climate focused Fixed Income Instruments and debt. In making investment decisions the Investment Adviser considers various quantitative and qualitative data relating to (i) global economies, (ii) projected growth of various industrial sectors and asset classes and (iii) issuers demonstrating leadership with respect to addressing climate related factors.
- The Underlying Fund will ordinarily be comprised of labeled and unlabeled green Fixed Income Securities as well as the debt of issuers demonstrating leadership in addressing risk and opportunities around climate related change. The Underlying Fund may also invest in any of the other types of ESG Fixed Income Securities
- The Underlying Fund may invest in securities of issuers whose climate-related practices are currently suboptimal, with the expectations that these practices may improve.
- The Underlying Fund is considered to be actively managed in reference to the Index, which the Underlying Fund uses for performance comparison purposes. However, the Index is not used to define the portfolio composition of the Underlying Fund or as a performance target.
- The Underlying Fund may use derivative instruments such as futures, options, options on futures and swap agreements (listed or over-the-counter) and may also enter into currency forward contracts. Derivative instruments may be used for (i) hedging purposes and/or (ii) investment purposes and/or (iii) efficient portfolio management.

## VALUATIONS AND EXITING FROM THIS INVESTMENT

### HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager's pricing. The fund prices are updated daily and are available at Singapore Life Ltd.'s website at [www.singlife.com](http://www.singlife.com).

### HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP sub-fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
  - (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
  - (b) after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP sub-fund will have a single "dealing" price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP sub-funds will be priced based on the frequency of the fund manager's pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application.
- This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days' prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.
- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 

For a partial withdrawal request of 1000 units of an investment-linked fund.

  - Assuming the unit price of the fund is S\$1.50:

The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
