SUB-FUND SUITABILITY

WHO IS THE SUB-FUND SUITABLE FOR?

The ILP Sub-Fund is only suitable for investors who:

- are looking for a competitive and consistent level of income without compromising long term capital appreciation;
- are looking for a diversified exposure to global fixed income markets and are willing to accept the risks and volatility associated with investing in such markets, including emerging markets and non investment grade securities; and
- have an investment horizon over the medium to long term.

Further information
Refer to "Investment Objectives and Policies" to the Underlying Fund's Supplement for further information on product suitability.

KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in a ILP Sub-Fund that feeds 100% into an Underlying Fund, a Sub-Fund of an umbrella type open-ended investment company incorporated with limited liability under the laws of Ireland, authorised by the Central Bank of Ireland as a UCITS.
- The primary investment objective of the Underlying Fund is to seek to high current income, consistent with prudent investment management. Long-term capital appreciation is a secondary objective.

Refer to "Investment Objectives and Policies" of the Underlying Fund's Supplement for further information on features of the product.

¹ For ILP Sub-Funds that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP Sub-Fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP Sub-Fund, and investment approach of the manager have to be stated in the product summary:

(a) to invest only in deposits or other Excluded Investment Products; and

(b) not to engage in securities lending or repurchase transactions for the ILP Sub-Fund.

The definition of "Excluded Investment Product" can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <https://www.mas.gov.sg/regulation/notices/notice-faa-n16>

- Dividends paid out from the Underlying Fund will be allocated to You by allocating additional Units of the relevant distribution class Fund to the Policy. Units of the relevant ILP Sub-Fund will be allocated by the reinvestment of the dividends, as and when paid by that Underlying Fund, into the same Underlying Fund at the Unit Price. The additional Units will be allocated to Your Policy.

Investment Strategy

Summary Chart

Primary Investments	Average Portfolio Duration	Credit Quality	Distribution Frequency
Fixed Income Instruments	0 - 8 years	Max 50% below Baa3 (except for MBS and ABS)	Monthly

Refer to “Investment Objectives and Policies” of the Underlying Fund’s Supplement for further information on the investment strategy of the product.

- The Underlying Fund is diversified broadly across regions, industries, issuers, and asset classes, as well as through a varied set of sources of value and employs independent research and prudent diversification with respect to industries and issuers in order to seek to achieve its investment objective.
- The Underlying Fund invests at least two-thirds of its assets in a diversified portfolio of Fixed Income Instruments of varying maturities.
- The Underlying Fund will generally allocate its assets among several investment sectors, which may include (i) high yield and investment grade corporate bonds of issuers located in the EU and in non-EU countries, including emerging market countries; (ii) global bonds and Fixed Income Securities issued by EU and non-EU governments, their agencies and instrumentalities; (iii) mortgage-related and other asset-backed securities which may or may not be leveraged; and (iv) foreign currency positions, including currencies of emerging market countries.
- The Underlying Fund may invest in both investment grade securities and high yield securities subject to a maximum of 50% of its total assets in securities rated below Baa3 by Moody’s, or equivalently rated by S&P or Fitch.
- The Underlying Fund may invest up to 20% of its total assets in Fixed Income Instruments that are economically tied to emerging market countries. The Underlying Fund may also invest 100% of its net assets in Fixed Income Securities issued by, or guaranteed as to principal and interest by, the U.S. government and repurchase agreements secured by such obligations provided that the Underlying Fund holds at least six different issues, with securities from any one issue not exceeding 30% of net assets.
- No more than 25% of the Underlying Fund’s net assets may be invested in securities that are convertible into equity securities. No more than 10% of the Underlying Fund’s total assets may be invested in equity securities.
- The Underlying Fund may use derivative instruments such as options, futures, options on futures and swap agreements or currency forward contracts. Derivative instruments may be used for (i) hedging purposes and/or (ii) investment purposes and/or (iii) efficient portfolio management.
- The Underlying Fund is considered to be actively managed in reference to the Index, which the Underlying Fund uses for performance comparison purposes. However, the Index is not used to define the portfolio composition of the Underlying Fund or as a performance target.

Parties Involved

<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The Manager is PIMCO Global Advisors (Ireland) Limited. • The Investment Advisor is Pacific Investment Management Company LLC. • The Sub-Investment Advisors are PIMCO Europe Ltd., PIMCO Asia Pte Ltd, PIMCO Europe GmbH and PIMCO Asia Limited. • The Custodian (which is the Depository) is State Street Custodial Services (Ireland) Limited. 	<p>Refer "Management and Administration" of the Underlying Fund's Irish Prospectus and paragraph 28 of the Underlying Fund's Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT? The value of the ILP Sub-Fund may rise or fall. The following key risk factors may cause you to lose some or all of your investment:</p>	<p>Refer to "General Risk Factors" of the Underlying Fund's Irish Prospectus and "Risk Factors and Use of Derivatives" of the Underlying Fund's Singapore Prospectus for further information on risks of the product.</p>
Market and Credit Risks	
<p>The Underlying Fund is subject to credit risk as it could lose money if the issuer or guarantor of a Fixed Income Security in which it invests, or counterparty to a derivatives contract, is unable or unwilling to meet its financial obligations.</p> <p>The Underlying Fund is subject to currency risk as changes in exchange rates between currencies or the conversion from one currency to another may cause the value of the Underlying Fund's investments to diminish or increase.</p> <p>The Underlying Fund is subject to interest rate risk as the value of Fixed Income Securities held by the Underlying Fund is likely to decrease if nominal interest rates rise.</p>	
Liquidity Risks	
<p>The ILP Sub-Fund is not listed on the Singapore Exchange and you can redeem only on Business Days through Singapore Life Ltd. In respect of Singapore investors, there is no secondary market for the ILP Sub-Fund.</p>	
Product-Specific Risks	
<p>The Underlying Fund's use of derivative instruments is subject to the derivatives risks described in the Underlying Fund's Irish Prospectus, such as liquidity risk, interest rate risk, market risk, credit risk and management risk. Derivatives will typically be used as a substitute for taking a position in the underlying asset.</p> <p>The Underlying Fund is subject to global investment risk as securities of certain international jurisdictions may experience more rapid and extreme changes in value.</p> <p>The Underlying Fund may be subject to high yield risk such as greater levels of interest rate, credit and liquidity risks than Funds that do not invest in such securities.</p>	

The Underlying Fund is subject to emerging markets risk as it invests in emerging market securities of issuers based in countries with developing economies, which may present market, credit, currency, liquidity, legal, political and other risks different from, and potentially greater than, the risks of investing in developed foreign countries.

All or part of the Management Fees may be charged to the capital of the Underlying Fund, and on redemption Shareholders may not receive back the full amount invested.

Dividends may be payable out of the capital of the Underlying Fund or of certain share classes, as a result capital will be eroded and distributions will be achieved by forgoing the potential for future capital growth. This cycle may continue until all capital is depleted.

The Underlying Fund may be subject to risks from directly investing in Fixed Income Instruments traded on China Inter-Bank Bond Market (“CIBM”). The Underlying Fund may be exposed to liquidity risks, settlement risks, default of counterparties and market volatility associated with CIBM. The CIBM rules are also relatively new and still subject to further clarification and/or changes.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP Sub-Funds will be priced based on the frequency of the fund manager’s pricing. The fund prices are updated daily and are available at Singapore Life Ltd.’s website at www.singlife.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a request for withdrawal or fund switching (i.e. switches) to Singapore Life Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Singapore Life Ltd. at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Singapore Life Ltd. will refund the premiums you paid (without interest) after deducting the expenses incurred in issuing the Policy. The refund will be made after we receive the original Policy for cancellation.
- If there has been a decline in the market value, we will deduct the amount necessary to reflect the change in market value. If there has been an increase in the market value following the date Singapore Life Ltd. accepts your request to cancel the Policy, we will not pay you for such increase or any gain.
- For subsequent withdrawal/surrender or fund switching, transaction requests will need to be received and accepted by Singapore Life Ltd.:
 - (a) before 12 noon (Singapore time) on a Business Day will be processed according to the Unit Prices of the relevant Funds and the exchange rates (if applicable) prevailing on the next appropriate Fund Valuation Date following the day Singapore Life Ltd. has accepted the request.
 - (b) after 12 noon (Singapore time) on a Business Day or on a non-business day will be considered as if received before 12 noon (Singapore time) on the following business day.
- The ILP Sub-Fund will have a single “dealing” price used for all switches and withdrawals/surrenders. There is no bid/offer spread.
- All ILP Sub-Funds will be priced based on the frequency of the fund manager’s pricing policy. As Units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application.

This cut-off time stated is correct as at the time of print. Singapore Life Ltd. reserves the right to change the cut-off time by giving you thirty (30) days’ prior notice or any such shorter period of notice as Singapore Life Ltd. may agree with the relevant authorities.

- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:
 For a partial withdrawal request of 1000 units of an investment-linked fund.
 - Assuming the unit price of the fund is S\$1.50:
 The amount payable to the policyholder will be S\$1500, which is calculated as 1000 units x S\$1.50.

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
