

## DIRECT- Critical Illness Assurance (Term Life) Product Summary

### 1. What is this supplementary benefit about?

This is a regular payment, non-participating supplementary benefit that provides protection against any one of the 30 specified severe stage critical illnesses. This supplementary benefit accelerates the death benefit of the policy to which it is attached.

This supplementary benefit has no cash value.

This supplementary benefit can only be added at the time **you** apply for the policy and it will not be available from the policy start date.

This is not a Medisave-approved policy and **you** may not use Medisave to pay the premiums for this policy.

Words in bold have the specific meanings given to them in section 7. **Definitions** of this supplementary benefit and the definitions section of the plan to which this supplementary benefit is attached to.

### 2. What does this supplementary benefit cover?

#### 2.1 Critical illness benefit

**We** cover the 30 specified critical illnesses listed under section 6. **List of critical illnesses covered** during the chosen policy term.

If the life assured suffers from any one of the critical illnesses (other than Angioplasty & Other Invasive Treatment for Coronary Artery), **we** will pay the **sum assured** of this supplementary benefit as the critical illness benefit in one lump sum, as an early payout of the **death benefit**, less any amount **you** owe **us**.

If the life assured undergoes Angioplasty & Other Invasive Treatment for Coronary Artery, **we** will pay 10% of the **sum assured** of this supplementary benefit, up to a maximum of SGD25,000, in one lump sum, less any amount **you** owe **us**.

The payment for Angioplasty & Other Invasive Treatment for Coronary Artery is an early payout of the critical illness benefit which advances the death benefit. **We** will only pay once for Angioplasty & Other Invasive Treatment for Coronary Artery. The death benefit and critical illness benefit will be reduced accordingly after the payment for Angioplasty & Other Invasive Treatment for Coronary Artery. **We** will only pay the remaining critical illness benefit for any subsequent critical illness claim (other than Angioplasty & Other Invasive Treatment for Coronary Artery).

**2.2** If **we** have paid part of the death benefit as an early payout in a previous claim and as a result the **sum assured** of this supplementary benefit becomes higher than the **sum assured** of the death benefit, the **sum assured** of this supplementary benefit shall be reduced to an amount equal to the remaining **sum assured** of the death benefit, and the critical illness benefit payable will be based on the reduced **sum assured** of this supplementary benefit.

### 3. What this supplementary benefit does not cover?

3.1. **We** will not pay the critical illness benefit if the life assured is diagnosed with:

- Heart Attack of Specified Severity or Major Cancer; or
- coronary artery disease leading to performance of Coronary Artery By-pass Surgery or Angioplasty & Other Invasive Treatment for Coronary Artery,

before or within 90 days from:

- the policy issue date;
  - the issue date of this supplementary benefit;
  - the cover start date of this supplementary benefit; or
  - the last reinstatement date of this supplementary benefit,
- whichever is latest.

3.2. **We** will not pay the critical illness benefit if **your** claim is directly or indirectly, wholly or partly caused by or arising from or contributed by:

- deliberate acts such as self-inflicted illness or injury, while sane or insane;
- deliberate misuse of drugs, alcohol or any dependence, while sane or insane;
- acquired immunodeficiency syndrome (AIDS) or infection by human immunodeficiency virus (HIV) acquired in ways other than as stated in HIV Due to Blood Transfusion and Occupationally Acquired HIV; or
- any **pre-existing condition**.

**You** are advised to read the policy contract for the full list of exclusions.

### 4. What do you need to note?

#### 4.1. Diagnosis

The critical illness must be diagnosed by a **registered medical practitioner** and/or otherwise as stated in the definitions of the critical illnesses listed under section 6.

#### 4.2. Premium

The premiums for this supplementary benefit are not guaranteed and may be adjusted based on future experience. **We** will notify **you** of any changes 30 days in advance.

If a part of the **sum assured** of this supplementary benefit has been paid out to **you** under a claim, **you** only need to pay an accordingly reduced premium as **we** will advise **you**, in order to receive the remaining critical illness benefit.

#### 4.3. Renewal

If **you** are holding a 5-year renewable term policy and it is due and eligible for renewal, **we** will renew this supplementary benefit together with the basic benefits automatically from the cover end date, without proof of insurability, for the same policy term.

**We** will not renew this supplementary benefit if:

- the life assured is above **age** 60; or
- any claim has been admitted under this supplementary benefit.

**We** will work out the renewal premium based on the supplementary benefit's policy term, **sum assured** and the life assured's **age** at the date the supplementary benefit is renewed.

#### 4.4. Claims

Please visit the FAQs section in the following links for claim procedures.

- <https://singlife.com/en/make-a-claim/>
- <https://singlife.com/en/faq/>

#### 5. When does cover under this supplementary benefit ends?

This supplementary benefit ends when:

- **we** cancel this supplementary benefit at **your** request;
  - **we** pay the critical illness benefit in full;
  - **we** void this supplementary benefit because of incorrect or incomplete information given to **us**;
  - this supplementary benefit lapses due to non-payment of premiums;
  - the cover of this supplementary benefit ends; or
  - **your** policy ends,
- whichever is earliest.

#### 6. List of critical illnesses covered

- 6.30. Angioplasty & Other Invasive Treatment for Coronary Artery

The Life Insurance Association Singapore (LIA) has standard definitions for 37 severe-stage critical illnesses (Version 2019). The 30 specified critical illnesses fall under Version 2019. **You** may refer to [www.lia.org.sg](http://www.lia.org.sg) for the standard definitions (Version 2019).

## 7. Definitions

**Pre-existing condition** means any condition or illness which existed or was existing or the cause or symptoms of which existed or were existing or evident, or any condition or illness which the life assured suffered or was suffering from, prior to the:

- policy issue date;
- issue date of this supplementary benefit;
- cover start date of this supplementary benefit; or
- last reinstatement date of this supplementary benefit,

whichever is latest, unless the condition or illness had been declared and accepted by **us**.

### Note

The above is a summary of the plan offered. The precise terms and conditions of the plan are set out in the policy contract.

As Direct Purchase Insurances are sold without financial advice, **you** should make sure **you** have carefully assessed **your** insurance needs as well as whether **you** can afford the premiums for the duration of the policy. If **you** are unsure if Direct Purchase Insurance is suitable for **you**, **you** may wish to seek advice from a Financial Adviser Representative who may be able to advise **you** on a suitable product.

Buying a health insurance policy that is not suitable for **you** may impact **your** ability to finance **your** future healthcare needs.

### Policy Owners' Protection Scheme

This policy is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for **your** policy is automatic and no further action is required from **you**. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact **us** or visit the LIA or SDIC websites ([www.lia.org.sg](http://www.lia.org.sg) or [www.sdic.org.sg](http://www.sdic.org.sg)).
