MyHealthPlus General Provisions

Your policy

This is **your** MyHealthPlus policy. It contains the following documents:

- these general provisions;
- the **policy schedule**;
- the **benefits schedule**;
- the **application documents**; and
- any endorsements.

These documents and the following form the full agreement between **you** and **us**:

- all statements to **doctors**;
- declarations and questionnaires relating to the **life assured's** lifestyle, occupation or medical condition which **you** or the **life assured** provide to **us** for **our** underwriting purposes; and
- all written correspondence relating to the policy between **you** or the **life assured** and **us**.

We refer to them collectively as "**your policy**". Please examine them to make sure **you** have the protection **you** need. It is important that **you** read them together with **your MyShield** policy to avoid misunderstanding.

In these general conditions, words in bold have the meanings given to them under the 'Definitions' section. Unless the context otherwise requires, words used in the singular include the plural and the masculine include the feminine and vice-versa. The same definitions apply if the defined words are used in any documents in **your policy** or any correspondence between **you** and **us**.

To enjoy the **benefits**, **you** must comply with the terms and conditions of **your policy** and pay the **premiums** when they are due.

MyHealthPlus is a medical insurance plan which pays **benefits** on top of the **life assured's MyShield** plan for costs associated with **hospital** stay, **surgery**, selected outpatient treatment, **co-insurance** and **deductible**. As the **life assured** must be covered under **MyShield** before he is eligible for cover under MyHealthPlus, **your policy** will only come into effect on or after the cover start date of **your MyShield** policy if **we** receive **your first premium** in full before the **policy issue date**.

Please note: We will not pay benefits on any claim which arises before the cover start date.

Free Look Period:

If **we** are issuing this policy to **you** for the first time, **we** give **you** a free-look period of 21 days from the date **you** received **your policy** to decide if **you** want to continue with **your policy**. If **you** do not want to continue with **your policy**, **you** may write to **us** to cancel it. As long as **you** have not made any claim under **your policy**, **we** will cancel **your policy** from its **cover start date** and refund all **premiums** paid, without interest. **You** are assumed to have received the policy within seven days after **we** have sent it by post.

- (i) declare **your policy** “void” from the **cover start date** or the last **reinstatement date** (whichever is applicable);
- (ii) end the cover for the **life assured**; or
- (iii) add extra terms and conditions, amend and/or adjust the benefits as **we** may deem fit.

If event (i) or (ii) above happens, **we** will refund **you** all **premiums** paid to **us** only if **you** have not made any claim under **your policy**. If **you** have made a claim under **your policy** before event (i) or (ii) happens, **we** will calculate the **premium** to be refunded from the first **policy year** immediately following the **policy year** in which **you** made the last claim under **your policy**. If **you** do not pay the **premium** by the last day of the **grace period**, **your policy** will end on the **renewal date**.

You are responsible for making sure that **your premium** is paid up to date.

4. When your policy ends

Your policy automatically ends on the date:

- the **life assured** dies;
 - **we** receive **your** written notice requesting cancellation of **your policy** under **clause 5.2**;
 - **we** do not receive **your premium** after the **grace period**;
 - **you** fail or refuse to refund any amount **you** owe **us**, of which the date will be determined by **us**;
 - fraud under **clause 7.10** takes place;
 - **you** do not reveal information or misrepresent to **us** under **clause 3.1**;
 - **you** or the **life assured** does not fulfil the eligibility requirements set out under **clause 7.1**; or
 - when **your MyShield** plan ends;
- whichever is earlier.

The **critical illness** benefit for a **life assured** will automatically end on the date:

- **you** make a valid **critical illness** benefit claim for the **life assured** and **we** have paid 100% of the limits shown in the **benefits schedule**; or
 - the **policy year** in which the **life assured** reaches 65 years old;
- whichever is earlier.

When **your policy** ends, **you** have no further claims or rights against **us**.

5. What you can do with your policy

5.1 Reinstatement your policy

If **your policy** terminates because **you** have not paid the **premium**, **you** may apply to **us** within 30 days from the date of notice of termination to reinstate **your policy**. **You** must meet all of the following conditions:

- the **life assured** must be 75 years old or below at age next birthday on the **reinstatement date**;
- **you** must pay all **premiums you** owe before **we** will reinstate **your policy**; and
- **you** have given **us** satisfactory proof of insurability for each **life assured** at **your** expense.

If **we** agree to reinstate **your policy**, **we** will issue **you** a notice of reinstatement. If there is any change in the **life assured**'s medical or physical condition, **we** may add exclusions from the **reinstatement date**.

To avoid doubt, if **we** accept any **premium** after **your policy** has ended, it does not mean **we** will not enforce **our** rights under **your policy** or **we** will create any liability for **us** in terms of any claim. **We** will not pay for treatment provided to the **life assured** after the date **your policy** ends and within 30 days from the **reinstatement date** unless treatment was received as an **inpatient** for **injuries** caused by an **accident** which took place after the **reinstatement date**.

5.2 Cancel your policy

You may cancel the policy with effect from any **renewal date** by giving **us** at least 30 days' written notice of **your** intention not to renew **your policy**. **Your policy** will end on the **renewal date**. However, cover for each **life assured** under **MyShield** will stay in force as long as the **life assured** meets the eligibility criteria for **MyShield**.

You may also cancel **your policy** during the **policy year** and after the free look period by giving **us** at least 30 days' written notice.

Where **premium** is charged on an annual basis, **we** will refund **you** the pro-rated **premium** based on the number of unused days in the **policy year**. However, if a claim has been made in that **policy year**, no **premium** will be refunded.

Where **premium** is charged on a non-annual basis, **we** are entitled to the balance of **premium** payable for the entire **policy year** if **you** make a claim. **We** will deduct the balance of **premium** from any claim payable under **your policy**.

5.3 Misstatement or change of plan

The **life assured**'s **plan** under MyHealthPlus must be the same as his plan under **MyShield**.

If the **life assured**'s **plan** is different from his **MyShield** plan, and the **premium** paid is insufficient, **we** will collect any shortfall in **premium** in cash or deduct the shortfall from any claim amount payable under **your policy**. **We** will calculate the shortfall from the **cover start date**.

If the **life assured**'s plan under **MyShield** is changed, the **plan** under **your policy** will also be changed. **We** will calculate the shortfall from the date on which **your** new plan takes effect. **We** will write to tell **you** when the new plan will take effect. The **policy year** and **period of insurance** for **your** existing **plan** will end on the day immediately before the day on which **your** new plan takes effect. The **period of insurance** for the new plan will be a 12-month term from the date on which the new plan takes effect and the limits shown in the **benefits schedule** for the new plan will apply from the date on which the new plan takes effect. The **benefits** which **we** pay on a per

lifetime basis will not be paid again in the new **policy year** if **you** have made a claim on these **benefits** and **we** have paid 100% of the limits shown in the **benefits schedule** for these **benefits** before **your** change of **plan**.

We will refund without interest any excess **premium** that may have been paid as a result of any misstatement or change of **plan**. If there is a **premium** shortfall, **you** must pay the additional **premium**. Otherwise, **your policy** will end as set out under **clause 4**.

To avoid doubt, if a claim admissible under **MyShield** is limited to the benefits under the **life assured's MyShield** plan before the **upgrade**, the **benefits** payable under **your** upgraded **plan** for this **policy** will also be limited to the **benefits** under the **plan** before the **upgrade**.

5.4 Change your option

You may write to **us** at any time and ask to change the **life assured's option**.

If **you** ask to **upgrade** the **life assured's option**, **you** must give **us** satisfactory proof of insurability for each **life assured** and pay for the costs involved. Any claim that arises from a **pre-existing condition** after the **upgrade** of **option** will be assessed based on the terms and conditions of the **option** before the **upgrade** of **option**.

If **you** ask to **downgrade** the **life assured's option**, **you** do not need to declare **your** medical conditions to **us**.

If **we** approve **your** request to change the **life assured's option**, **we** will write to tell **you** when the new **option** will take effect. The **benefits** shown in the **benefits schedule** for the new **option** will apply from the date on which the new **option** takes effect.

Change of options (on or after 1 January 2019)

After 1 January 2019, a mix of **option** types will not be available if **you** choose to change **options** or apply for a new **option**.

For example, if **you** have an existing option B and **you** wish to buy option A-II, **we** will change option B to option C-II.

In addition to 'What your policy does not cover' as stated in **your MyShield** policy, the following treatment items, conditions, activities and their related or consequential expenses are excluded and are not covered under **your policy**:

 - (i) **your policy** is under the **full medical underwriting option**, **you** have specifically declared the **pre-existing condition**, and **we** have agreed in writing to cover it under **your policy**; or
 - (ii) **your policy** is under the **moratorium underwriting option** and **you** have met the **moratorium** terms and conditions stated in **your policy**. However, the **moratorium** does not apply to the **critical illness** benefit and all **pre-existing conditions** are permanently excluded from the **critical illness** benefit;
- b all costs arising from admission to a **hospital** before the **cover start date**.

Please refer to **your MyShield** policy for the full list of exclusions. If **we** say that because of an exclusion, any loss, damage, cost or expense is not covered by **your policy**, the burden is on **you** to prove otherwise.

7.1 Eligibility

To be eligible for MyHealthPlus, the **life assured** must be:

- 75 years old or below at age next birthday at the **cover start date**; and

7.2 When the critical illness benefit will take effect

The **critical illness** benefit under **your policy** only applies if the **life assured**:

- has crossed his first birthday; and

We may change the **benefits**, cover, **premiums** or terms and conditions of **your policy** (as long as the changes apply to all policies of the same class). **We** will give **you** at least 30 days' written notice before **we** do so. However, such notice shall be waived and **we** may change the **benefits**, cover, **premiums** or terms and conditions of the policy with immediate effect without giving **you** notice if such changes are required by any law, regulation, governmental notices, policies or other statutory requirements.

7.8 Entry age of the life assured

We calculate the **premium you** have to pay based on the **life assured's** age next birthday.

If the **life assured's** age is misstated, **we** have the right to adjust **premiums** according to the correct age. **We** will collect any shortfall in **premium** and refund any extra **premium** paid without interest.

If at the correct age a **life assured** is not eligible for cover under **your policy**, no benefit is payable and **our** liability under **your policy** is limited to the refund of the total **premium** paid without interest.

7.9 Pre-existing conditions

a Except as provided in **b** below, all **pre-existing conditions** are excluded under **your policy**.

b We will cover the following **pre-existing conditions**:

- (i) if **your policy** is under the **full medical underwriting option**, **you** have declared the **pre-existing condition**, and it has been accepted by **us** in writing; or
- (ii) if **your policy** is under the **moratorium underwriting option**, and during the **moratorium**, the **life assured** is continuously covered under **your policy** and has not, in relation to a **pre-existing condition**:
 - experienced any symptom;
 - sought advice, tests or check-ups from a **doctor, specialist** or alternative medicine provider;
 - required any treatment or medication; or

We will then cover such **pre-existing condition** after the **moratorium**. We will exclude the **pre-existing condition** permanently from **your policy** if the **life assured** does not meet any of the above requirements during the **moratorium**.

c If the **life assured** is already covered under MyHealthPlus but does not fall under **a** or **b**, and **we** had excluded a **pre-existing condition** before under **your policy**, the **moratorium underwriting option** will apply. The **moratorium** will be deemed to start from the **cover start date**.
