Important Notes

All ages mentioned refer to age next birthday.

1. No claims discount entitles you to a 20% discount on Singlife Health Plus premiums if:
 - the cover start date or renewal date of your policy is on or after 1 April 2025, and
 - the total claim amount that we have paid during the assessment period under your Singlife Shield and Singlife Health Plus policies (excluding the claim amount paid by MediShield Life) is equal to S\$0.

Any refunds (e.g. refunds from other insurance policies that cover the same Life Assured), excluding the refund amount for MediShield Life, which we receive during an assessment period will reduce the total claim amount paid in that assessment period.

Assessment period means the following periods starting two months before your next policy renewal date:

- For the first policy year, the past 10 months
- For the second policy year, the past 22 months
- For the third policy year onwards, the past 24 months

Any refunds (e.g. refunds from other insurance policies that covers the same Life Assured), excluding the refund amount for MediShield Life, which we receive during an assessment period will reduce the total claim amount paid in that assessment period.

2. The policy year limit of S\$2,000,000 assumes that all treatments in the policy year are made through A&E or preferred medical provider(s).

Preferred medical provider(s) refers to the list of approved medical providers (e.g., panel specialist in a private hospital for inpatient hospital treatment, doctors in a public hospital, etc.), which may be found at <https://singlife.com/medicalspecialists>, as updated by us from time to time.

3. Pre-hospital treatment benefit refers to the eligible expenses incurred up to 180 days before admission for Plan 1, Plan 2 and Plan 3 at A&E or preferred medical provider(s). Post-hospital treatment benefit refers to the eligible expenses incurred up to 365 days after discharge for Plan 1, Plan 2 and Plan 3 at A&E or preferred medical provider(s).
4. Only cancer drug treatments on the Cancer Drug List (CDL) are claimable under Outpatient Cancer Drug Treatment benefit. Outpatient Cancer Drug Services that are part of a cancer drug treatment (including treatments not on the CDL), are claimable under the Outpatient Cancer Drug Services benefit.
5. Visit <https://go.gov.sg/moh-cancerdruglist> to view the latest version of the CDL. This list currently covers most cancer drug treatments approved by the Health Sciences Authority (HSA) and will be updated every few months by MOH.

6. **Inpatient and outpatient Proton Beam Therapy treatment**

Pays for Proton Beam Therapy treatment as an inpatient (including day surgery) or outpatient by a surgeon in a hospital or legally registered cancer treatment centre. Associated consultation fees, examinations and laboratory tests are covered if they are ordered by the attending doctor before the treatment and take place not more than 30 days before the treatment. Follow-up consultation fees, examinations, laboratory tests and other medical attention after each session of outpatient Proton Beam Therapy treatment are not covered.

Inpatient and Outpatient Cell, Tissue and Gene Therapy

Charges the life assured has to pay for Cell, Tissue and Gene Therapy as an inpatient (including day surgery) or outpatient by the attending doctor in a hospital or legally registered cancer treatment centre with MOH. Cell, Tissue and Gene Therapy is only claimable under your policy if used according to the clinical indications specified in the MOH's Cell, Tissue and Gene Therapy Products (CTGTPs) list on MOH's website (<http://go.gov.sg/ctgtp-list>), unless otherwise stated in your policy. MOH may update the CTGTP list from time to time. Each CTGTP treatment is only claimable once under your policy. Associated consultation fees, examinations and laboratory tests are covered if they are ordered by the attending doctor before the treatment and take place not more than 30 days before the treatment. Associated consultation fees, examinations, laboratory tests and other medical attention after each session of outpatient Cell, Tissue and Gene Therapy are not covered.

Preventive treatment for cancer

Preventive treatment for cancer covers surgery to prevent further cancer if the Life Assured already had treatment for cancer and we have paid for the treatment.

7. Pregnancy complications must be first diagnosed by a registered obstetrician after a waiting period of 10 months. Please note that delivery charges are also not covered, except in the event of caesarean section with hysterectomy.
8. Free newborn benefit starts from the date a newborn child(ren) is 15 days old or the date of discharge from hospital after birth, whichever is later. The free coverage ends on the date the newborn is 6 months old or takes up a MediSave-approved Integrated Shield Plan, whichever is earlier. Both parents must be covered under Singlife Shield Plan 1 or Plan 2 continuously for at least 10 months from the cover start date of their respective policies on the newborn's date of birth. Pre-hospital treatment received before and post-hospital treatment received after the free coverage period are excluded.

Important Notes *(continued)*

9. Preferred medical provider(s) refers to the list of approved medical providers (e.g., panel specialist in a private hospital for inpatient hospital treatment, doctors in a public hospital, etc.), which may be found at <https://singlife.com/medicalspecialists>, as updated by us from time to time.
10. Additional critical illness benefit for kidney failure will be covered based on the type of centre or hospital at which the Life Assured receives the dialysis.
11. We will pay for outpatient cancer drug treatment set out in under Classes A to E of the Non-CDL Classification Framework developed by the Life Insurance Association, Singapore, as set out in <https://www.lia.org.sg/media/3553/non-cdl-classification-framework.pdf>, up to the limits stated in the benefits schedule and subject to co-insurance. Class F treatments are not covered.
12. We will pay for expenses associated with outpatient psychiatric consultation (including medication prescribed and standard diagnostic tests on the same visit), subject to co-insurance and up to the limits specified in the Benefits Schedule.

Your policy must be in force for at least 10 continuous months starting from the cover start date of this policy.

13. **Ward Downgrade Benefit:**

If the Life Assured is an inpatient at a Singapore restructured hospital, we pay this benefit as shown in the benefit schedule as long as:

- the admission as an inpatient is recommended by a doctor as necessary medical treatment; and
- the Life Assured stays in the following wards lower than his/her chosen plan:
 - For Plan 1, any standard ward of a public hospital;
 - For Plan 2, a B1 standard ward or below of a public hospital; or
 - For Plan 3, a B2 standard ward or below of a public hospital.

14. Discounted premium rates for child(ren) refers to the Family Discount for Child(ren) under Plan 2 coverage for up to 4 children, applicable till the child is 20 Age Next Birthday (ANB), if both parents are covered under Singlife Shield Plan 1 or Plan 2.

Your dependant child who is covered under Singlife Shield's family discount for child(ren) is also eligible for free cover under Singlife Health Plus Public Lite or the Preferred Rate for Children under Singlife Health Plus Public Prime, both attached to Singlife Shield Plan 2, up to 20 years old (age next birthday). These are provided that both parents are covered under Singlife Shield Plan 1 or 2, together with either of these Singlife Health Plus options - Private/Public Lite, Private Cover or Private/Public Prime. Please refer to the Product Summary for more details.

15. We will only pay this benefit once during the lifetime of the Life Assured.
16. Co-insurance is capped at S\$25,500 per policy year and applies only to treatments received through A&E or preferred medical provider(s).
