Singlife Health Plus General Provisions

Your policy

This is **your** Singlife Health Plus policy. It contains the following documents:

- these general provisions
- the **policy schedule**
- the **benefits schedule**
- the **application documents**
- any endorsements

These documents and the following form the full agreement between **you** and **us**:

- all statements to **doctors**,
- declarations and questionnaires about the **life assured's**:
 - lifestyle,
 - occupation, or
 - medical condition,provided to **us** for **our** underwriting purposes, and
- all correspondence between **you** / the **life assured** and **us** about the **policy**.

We refer to them collectively as **your "policy"**. Please examine them to make sure **you** have the protection **you** need. It is important that **you** read them together to avoid misunderstanding.

Unless the context otherwise requires, singular words include plural and vice versa, words meaning one gender include all genders. Words in bold are defined in the 'Definitions' section and will have the same meaning whenever they are used in **your policy**.

To enjoy the **benefits**, **you** must meet the terms and conditions of **your policy** and pay **premiums** when due.

Singlife Health Plus is a medical insurance **plan** which pays **benefits** on top of the **life assured's Singlife Shield plan** for costs associated with:

- **hospital** stay,
- **surgery**,
- selected outpatient treatment,
- **co-insurance**, and
- **deductible**.

Your policy will come into effect on or after the **cover start date** of **your Singlife Shield** policy if **we** receive **your** first **premium** in full before the **policy issue date**.

We will not pay **benefits** on any claim which arises before the **cover start date**.

Free Look Period:

If **we** are issuing this policy to **you** for the first time, **you** have 21 days from the date **you** receive **your policy** to decide whether **you** want to continue with it. If **you** do not want to continue, **you** may write to **us** to cancel it. As long as **you** have not made any claim under **your policy**, **we** will cancel **your policy** from its **cover start date** and refund **premiums** paid, without interest, less any expenses spent in considering **your** application and issuing **your policy**.

If **your policy** was sent to **you** by post, **we** will consider it delivered 7 days after posting. If **your policy** was sent to **you** electronically, **we** will consider it delivered 7 days after the date it was sent.

1. What your policy covers

The **benefits** shown below are available but not all of them may apply to **your policy**. Please refer to the **policy schedule** for the **plan** and **option you** have bought and the **benefits schedule** for details of the cover provided.

All **benefits** only pay reimbursement for **reasonable expenses** for **necessary medical treatment** received by the **life assured** due to **illness** or **injury** and depend on:

- the terms and conditions in **your policy**,
- the limits in the **benefits schedule**, and
- the exclusions in **your policy**.

Treatment must be provided by a **hospital** or licensed medical centre or clinic.

We pay **benefits** up to the limits shown in the **benefits schedule**.

1.1. No claims discount

Subject to **clause 7.7**, **you** will get a 15% **premium** discount if:

- the **cover start date** or **renewal date** of **your policy** is on or after 1st April 2022, and
- the total claim amount that **we** have paid during the **assessment period** under **your Singlife Shield** and **Singlife Health Plus** policies (excluding the claim amount paid by **MediShield Life**) is less than or equal S\$1,000.

Any refunds (e.g. refunds from other insurance policies that covers the same **life assured**), excluding the refund amount for **MediShield Life**, which **we** receive during an **assessment period** will reduce the total claim amount paid in that **assessment period**.

1.2. Private / Public Lite and Private / Public Prime benefits

1.2.1. Annual deductible payable by policyholder

The maximum annual deductible that applies to both **Singlife Shield** and Singlife Health Plus that **you** have to pay per **policy year** is as shown in the **benefits schedule**.

We will apply a new annual deductible for every 12 months of **hospitalisation**.

If the **hospitalisation** period:

- (a) is less than 12 months and crosses into the next **policy year**, **we** will apply the **annual deductible** from the previous **policy year**;
- (b) is more than 12 months, **we** will apply the **annual deductible** from the previous **policy year** and next **policy year**.

1.2.2. Co-insurance

Co-insurance which **you** have to pay in respect of a claim under **your Singlife Health Plus policy** (up to the limits shown in the **benefits schedule**).

For Private / Public Lite policies, **co-insurance** applies after **you** have paid the **Singlife Shield annual deductible**.

For Private / Public Prime policies, **co-insurance** applies after **you** have paid the **Singlife Health Plus annual deductible** (if applicable).

1.2.3. Outpatient Cancer Drug Treatment Benefit (on the CDL)

Charges the **life assured** has to pay as an outpatient at a **hospital** or cancer treatment centre registered with the **MOH** or approved by **us** for **cancer drug** treatment that are listed on the **Cancer Drug List / CDL**. Treatments are defined as drug-indication pairs, as described in the **CDL**.

Outpatient **cancer drug** treatments are only claimable under **your policy** if used according to the clinical indications specified on the **CDL** (as at the date of treatment), unless otherwise stated in **your policy**. **MOH** may update the **CDL** from time to time.

For each primary cancer, if:

- the **CDL** treatment involves more than one drug, **we** allow drug omission or replacement with another **CDL** drug with the indication “for cancer treatment”, only if they are due to intolerance or contraindications. In such cases, the claim limit of the original **CDL** treatment will continue to apply; or
- multiple cancer drug treatments are administered in a month, and any of the **CDL** treatments have an indication that states “monotherapy”, only **CDL** treatments with the indication “for cancer treatment” will be claimable in that month. Otherwise, the following will apply:
 - (a) If more than one of the **cancer drug** treatments administered in a month have an indication other than “for cancer treatment”, only **CDL** treatments with the indication “for cancer treatment” will be claimable in that month.
 - (b) If one or none of the **cancer drug** treatments administered in a month has an indication other than “for cancer treatment”, all **CDL** treatments will be claimable in that month.

We will pay up to the highest limit among the **CDL** treatments that are claimable in that month.

If a **life assured** is receiving treatment for **multiple primary cancers**, **you** may apply to **MOH** and **us** for a higher claim limit, subject to prevailing terms and conditions. The **life assured**'s **doctor(s)** must submit the application form to **MOH** and **us** to assess the **MediShield Life** and Singlife Shield Plan coverage respectively. If your application is approved, **we** will pay up to the sum of the highest limit among the claimable **CDL** treatments for each primary cancer in that month.

For avoidance of doubt, for **CDL** treatments, the indications refer to the clinical indications of the drug as specified on the **CDL** on **MOH**'s website go.gov.sg/moh-cancerdruglist. **Non-CDL** treatments will be considered as having an indication other than “for cancer treatment”.

1.2.4. Outpatient Cancer Drugs Benefit (Non-CDL)

We will pay for outpatient cancer drug treatment under Classes A to E of the **Non-CDL** Classification Framework developed by the Life Insurance Association, Singapore, as set out in <https://www.lia.org.sg/media/3553/non-cdl-classification-framework.pdf>, up to the limits stated in the **benefits schedule** and subject to **co-insurance**. Class F treatments are not covered.

Outpatient cancer drug treatments (**Non-CDL**) are excluded from the maximum **co-insurance** stated in the **benefits schedule**.

1.2.5. Critical illness-related benefits

(a) Critical illness benefit

Subject to **clause 7.2** of these General Provisions, **we** will pay the **critical illness** benefit as long as the **life assured** is:

- alive after the **survival period**.

If the **critical illness** diagnosed is:

- Major Cancer,
- Coronary Artery By-pass **Surgery**,
- Angioplasty & Other Invasive Treatment for Coronary Artery,
- Other Serious Coronary Artery Disease, and/or
- Heart Attack of Specified Severity,

the **critical illness** benefit is payable only if diagnosis is made after a **waiting period** of 90 days from the **cover start date** or last **reinstatement date**, whichever is later.

(b) Additional critical illness benefit for kidney failure

If the **life assured** is diagnosed with kidney failure and requires kidney dialysis, **we** pay this benefit as shown in the **benefits schedule** as long as:

- the dialysis is ordered by the attending **doctor**,
- the **life assured** receives dialysis at a subsidised dialysis centre or **public hospital**, and
- **we** admit the outpatient kidney dialysis claim under Singlife Health Plus.

We will not pay this benefit again if **you** have made a claim on this benefit and **we** have paid according to **your plan** as shown in the **benefits schedule** before **your** change of **plan**. To avoid doubt, if **you** upgrade **your plan**, **we** will pay this benefit according to **your plan** before the **upgrade**.

1.2.6. Accidental cover for child benefit

If the **life assured** sustains a fracture to the skull, spine, pelvis, femur or hip as a result of an **accident**, **we** will pay this benefit as long as:

- the **life assured** is below 19 years old at the time of the **accident**,
- the **life assured** is **hospitalised** due to the **accident**, and
- no prior claim under this benefit has been made.

We will only pay this benefit once during the lifetime of the **life assured** no matter how many fractures are sustained by the **life assured**.

1.2.7. Hospital-related benefits

We pay the following **hospital-related benefits** up to the limits shown in the **benefits schedule**:

(a) Ambulance fees or transport to hospital

One-way land transport for the **life assured** by either ambulance, taxi or private hire car to a **hospital** within Singapore. **We** pay this benefit as long as the **life assured** is admitted as an **inpatient**, within 24 hours of arrival at the **hospital**, for treatment of an **illness** or **injury** covered under **Singlife Shield**.

(b) **Accommodation charges for parent / guardian of child life assured**

Accommodation charges which a parent / guardian has to pay (up to the limits shown in the **benefits schedule**) to share the **hospital** room of a **life assured** (below **age** 19 years old). **We** pay this benefit as long as the **life assured** is an **inpatient** for **illness** or **injury** covered under **Singlife Shield**.

(c) **Post-hospital follow-up TCM treatment**

Charges for post-**hospital** follow-up **TCM treatment** received by the **life assured** up to 180 days after the date he is discharged as an **inpatient** as long as all the following conditions are met:

- the post-**hospital** follow-up **TCM treatment** must be recommended by the **doctor** who treated the **life assured** during the period he was an **inpatient**,
- the **TCM treatment** must be administered by a **TCM practitioner**,
- the **inpatient** admission must be the result of an **accident**,
- the **TCM treatment** must be for the same **injury** or **illness** for which the **life assured** received **inpatient** treatment, and
- the **injury** or **illness** must be covered by **your policy**.

We will not pay for any post-**hospital** follow-up **TCM treatment** following an **inpatient** treatment in **community hospital**.

TCM treatment includes the cost of consultation, acupuncture, scrapping, cupping and tui na, but not the cost of medication.

(d) **Ward downgrade benefit (applies only to Private / Public Lite)**

If the **life assured** is an **inpatient** at a Singapore **public hospital**, **we** pay this benefit as shown in the **benefits schedule** as long as:

- the admission as an **inpatient** is recommended by a **doctor** as **necessary medical treatment**, and
- the **life assured** stays in the following wards lower than his chosen **plan**:
 - For plan 1, any standard ward of a **public hospital**,
 - For plan 2, a 4 bed (B1) standard ward or below of a **public hospital**, or
 - For plan 3, a 6-bed (B2) standard ward or below of a **public hospital**.

We do not pay the ward downgrade benefit for day **surgery**, admission as an **inpatient** in a **community hospital**, admission as an **inpatient** in a private **hospital** or if there is no **hospital** stay involved. The ward downgrade benefit will not apply if **you** also have a Singlife Health Plus Deductible Cover policy.

1.2.8. **Cover for child(ren)**

We will extend:

- the **benefits** under Public Lite (attachable to **Singlife Shield** plan 2) of **your policy** for free, or
- the preferred rate under Public Prime (attachable to **Singlife Shield** plan 2) of **your policy**, (as the case may be, based on **your plan** and **option** stated in the **policy schedule**), to a child life assured until he reaches **age** 20 years old if all of the following conditions are met:
 - the child life assured is a biological or legally adopted child who is at least 15 days old,
 - on or before the **cover start date**, the child life assured's parents are both covered under either **Singlife Shield** plan 1 or plan 2, and also covered under either Singlife Health Plus:
 - Private / Public Lite
 - Private Cover, or

- Private / Public Prime, whichever is applicable, and
- the child life assured is covered under **Singlife Shield**'s family discount for child(ren) or free cover for child(ren).

If the child life assured ceases to enjoy family discount for child(ren) or free cover for child(ren) under **Singlife Shield**, this benefit will also cease for the child life assured under **your policy**.

This benefit will continue even if one or both parents of the child life assured dies before this benefit ceases.

1.2.9. Mental wellness benefit

We will pay for expenses associated with outpatient psychiatric consultation (including medication prescribed and standard diagnostic tests on the same visit), subject to **co-insurance** and up to the limits specified in the benefit schedule.

Your policy must be in force for at least 10 continuous months starting from the **cover start date** of this **policy**.

1.3. Deductible Cover benefits

1.3.1. Deductible benefit

We will cover **your Singlife Shield annual deductible** which **you** have to pay in respect of a covered claim under **your Singlife Shield** policy up to the fixed percentage as shown in the **benefits schedule**. This **benefit** is only available for existing Deductible Cover policies that are renewed. To avoid doubt, this **benefit** is not available for Singlife Health Plus (previously known as MyShield) policies effected from 1 July 2013.

2. Our responsibilities to you

We are only responsible to **you** for the cover and period of **your policy** and **our** responsibilities are governed by the terms, conditions and limits of **your policy**.

2.1. Making a claim

We will process **your** claim for **co-insurance** benefit, deductible benefit, accommodation charges for parent / guardian of child life assured and ward downgrade benefit together with **your** claim under **Singlife Shield**.

For the **critical illness** benefit and **accidental** cover for child benefit:

- **you** must give **us** written notice within 30 days of the happening of an **accident** or diagnosis of **critical illness** of the **life assured**,
- **we** will accept, as sufficient notice, any written notice given on behalf of the **life assured** that contains enough particulars for **us** to identify the **life assured**. If notice is not given to **us** within the required time, **you** may still submit a claim if **you** can show **us** that it was not reasonably possible to give such notice and that **you** gave **us** notice as soon as it was reasonably possible, and
- to enable **us** to process **your** claim, **you** must give **us** any or all of the following at **your** cost if **we** so require:
 - certificates, medical reports, information and evidence in the form and nature which **we** may require,

- evidence to establish the continuing health condition of the **life assured**,
- that the **life assured** be examined by **our** approved **doctor**. If the **life assured** is residing outside Singapore, **we** may ask him to come to Singapore for the examination,
- proof of the **life assured**'s date of birth. If the date of birth and/or age given to **us** is incorrect, **we** will only pay the amount that **we** would have to pay if the correct date of birth and/or age of the **life assured** had been given to **us**.

To claim under the ambulance fees or transport to **hospital** benefit and post-**hospital** follow-up **TCM treatment** benefit, **you** must complete **our** claim form and submit it to **us** as soon as possible after a **life assured** seeks treatment that is covered under **your policy**. **You** must complete the claim form as follows and submit it to **us**:

- the **life assured** or the **life assured**'s legal personal representative must complete the claim form and sign it,
- the attending **doctor** must complete all questions in the 'Doctor Report' section, affix his rubber stamp on the claim form and sign it,
- once the information or document becomes available and within 90 days after treatment starts, the **life assured** or the **life assured**'s legal personal representative must give **us** the originals of:
 - all documents and bills,
 - authorisations,
 - any information **we** need to assess the claim and deal with it, and
 - **you** must pay all costs involved.

If **you**, the **life assured** or the **life assured**'s personal representatives do not co-operate with **us** in dealing with the claim, the assessment of the claim may be delayed or **we** can reject the claim.

2.2. Proving the claim

All the requirements set out in **clause 2.1** must be met. If on a balance of probabilities based on medical facts, it is appropriate for **us** to decline the claim based on **clause 7.9 (Pre-existing conditions)**, the obligation is on the **life assured** to produce such evidence as **we** may reasonably require to prove otherwise to enable **us** to reconsider the claim.

2.3. Settling the claim

We will apply the following limits shown in the **benefits schedule** (if applicable) to the **benefits** in the following order when computing **your** claim:

(i) All benefits (except Outpatient Cancer Drugs Benefit (**Non-CDL**) and Mental Wellness Benefit)

- (a) eligible expenses
- (b) limit of **benefits**
- (c) **Singlife Shield** or **Singlife Health Plus** annual deductible
- (d) **co-insurance**
- (e) **policy year** limit
- (f) lifetime limit

(ii) Outpatient Cancer Drugs Benefit (**Non-CDL**) and Mental Wellness Benefit

- (a) eligible expenses
- (b) **pro-ration factor**
- (c) **co-insurance**
- (d) limit of **benefits**

(e) **policy year limit**

We will pay the claim once **we** are satisfied that all requirements are fully met. Any payment made under this clause will entirely release **us** from any obligations and any further liability in respect of the claim.

Before **we** admit or pay any claim and during the duration of a claim (including a claim for post-**hospital** treatment even if the pre-**hospital** treatment or **inpatient** treatment has been paid by **us**) under **your policy**, **we** have the right to require the **life assured** to be examined by a **doctor** appointed by **us**, whenever and as often as **we** may reasonably want.

In addition, **we** have the right to ask for a post-mortem where this is not forbidden by law.

3. **Your responsibilities**

3.1. **Full disclosure**

You and the **life assured** must always disclose to **us** completely and truthfully all material facts and circumstances that may affect **our** decision whether or not to:

- cover the **life assured**, or
- add any further terms and conditions on **your policy**.

This applies to all information given to **us** for **our** assessment of **your** application for cover.

If **you** do not give **us** this information or misrepresent any information, **we** may either:

(a) choose to:

- declare **your policy** “void” from the **cover start date** or the last **reinstatement date** (whichever is applicable), or
- end the cover for the **life assured**, and either refund **you**:
- all **premiums** paid to **us** if **you** have not made any claim under **your policy**, or
- the **premium** paid to **us** in the first **policy year** immediately following the **policy year** in which **you** made the last claim under **your policy**,

or

(b) choose to:

- add extra terms and conditions,
- change the **benefits**, and/or
- adjust the **benefits**.

If the **life assured** is a Singapore citizen or a Singapore permanent resident, the **life assured** will continue to be covered under **MediShield Life** without any exclusion.

3.2. **Premium**

You must pay the **premium** in order to receive the **benefits**.

We give **you** 60 days’ **grace period** from the **renewal date** to pay the **premium**. During this **grace period**, **your policy** will stay in effect. **You** must first pay any **premium** or other amounts owing to **us** before **we** pay any claim under **your policy**. If **you** do not pay the **premium** by the last day of the **grace period**, **your policy** will end on the **renewal date**.

You are responsible for making sure that **your premium** is paid up to date.

4. When your policy ends

Your **policy** automatically ends on the date:

- the **life assured** dies,
 - **we** receive **your** written notice requesting cancellation of **your policy** under **clause 5.2**,
 - **we** do not receive **your premium** after the **grace period**,
 - **you** fail or refuse to refund any amount **you** owe **us**, of which the date will be determined by **us**,
 - fraud under **clause 7.10** takes place,
 - **you** do not reveal information or misrepresent to **us** under **clause 3.1**,
 - **you** or the **life assured** does not meet the eligibility requirements set out under **clause 7.1**, or
 - when **your Singlife Shield plan** ends,
- whichever is the earliest.

The **critical illness** benefit for a **life assured** will automatically end on the date:

- **you** make a valid **critical illness** benefit claim for the **life assured** and **we** have paid 100% of the limits shown in the **benefits schedule**, or
 - the **policy year** in which the **life assured** reaches 65 years old,
- whichever is earlier.

When **your policy** ends, **you** have no further claims or rights against **us**.

5. What you can do with your policy

5.1. Reinstate your policy

If **your policy** terminates because **you** have not paid the **premium**, **you** may apply to **us** within 30 days from the date of notice of termination to reinstate **your policy**. **You** must meet all of the following conditions:

- the **life assured** must be **age** 75 years old or below on the **reinstatement date**,
- **you** must pay all **premiums** **you** owe before **we** will reinstate **your policy**, and
- **you** have given **us** satisfactory proof of insurability for each **life assured** at **your** expense.

If **we** agree to reinstate **your policy**, **we** will issue **you** a notice of reinstatement. If there is any change in the **life assured's** medical or physical condition, **we** may add exclusions from the **reinstatement date**.

To avoid doubt, if **we** accept any **premium** after **your policy** has ended, it does not mean **we** will not enforce **our** rights under **your policy** or **we** will create any liability for **us** in terms of any claim. **We** will not pay for treatment provided to the **life assured** after the date **your policy** ends and within 30 days from the **reinstatement date** unless treatment was received as an **inpatient** for **injuries** caused by an **accident** which took place after the **reinstatement date**.

5.2. Cancel your policy

You may cancel the policy with effect from any **renewal date** by giving **us** at least 30 days' written notice of **your** intention not to renew **your policy**. **Your policy** will end on the **renewal date**. However, cover for each **life assured** under **Singlife Shield** will stay in force as long as the **life assured** meets the eligibility criteria for **Singlife Shield**.

You may also cancel **your policy** during the **policy year** and after the free look period by giving **us** at least 30 days' written notice.

Where **premium** is charged on an annual basis, **we** will refund **you** the pro-rated **premium** based on the number of unused days in the **policy year**. However, if a claim has been made in that **policy year**, no **premium** will be refunded.

Where **premium** is charged on a non-annual basis, **we** are entitled to the balance of **premium** payable for the entire **policy year** if **you** make a claim. **We** will deduct the balance of **premium** from any claim payable under **your policy**.

The **life assured's plan** under Singlife Health Plus must be the same as his **plan** under **Singlife Shield**.

If the **life assured's plan** under **Singlife Shield** is changed, the **plan** under **your policy** will also be changed. **We** will calculate the shortfall from the date on which **your new plan** takes effect. **We** will write to tell **you** when the new **plan** will take effect. The **policy year** and **period of insurance** for **your existing plan** will end on the day immediately before the day on which **your new plan** takes effect. The **period of insurance** for the new **plan** will be a 12-month term from the date on which the new **plan** takes effect and the limits shown in the **benefits schedule** for the new **plan** will apply from the date on which the new **plan** takes effect. The **benefits** which **we** pay on a per lifetime basis will not be paid again in the new **policy year** if **you** have made a claim on these **benefits** and **we** have paid 100% of the limits shown in the **benefits schedule** for these **benefits** before **your change of plan**.

We will refund without interest any excess **premium** that may have been paid as a result of any misstatement or change of **plan**. If there is a **premium** shortfall, **you** must pay the additional **premium**. Otherwise, **your policy** will end as set out under **clause 4**.

To avoid doubt, if a claim admissible under **Singlife Shield** is limited to the benefits under the **life assured's Singlife Shield** plan before the **upgrade**, the **benefits** payable under **your upgraded plan** for this **policy** will also be limited to the **benefits** under the **plan** before the **upgrade**.

In addition, **we** will change the **life assured's option** to the available **option** under **your new Singlife Shield plan** according to the following table if the **life assured's option** is not available under the new **plan** under **your policy**.

You may write to us at any time and ask to change the **life assured's option**.

Any claim that arises from a **pre-existing condition** after the **upgrade** of **option** will be assessed based on the terms and conditions of the **option** before the **upgrade** of **option**.

If you ask to **downgrade** the **life assured's option**, you do not need to declare **your** medical conditions to us.

If we approve **your** request to change the **life assured's option**, we will write to tell you when the new **option** will take effect. The **benefits** shown in the **benefits schedule** for the new **option** will apply from the date on which the new **option** takes effect.

Change of options (on or after 1 January 2019)

After 1 January 2019, a mix of **option** types will not be available if you choose to change **options** or apply for a new **option**.

For example, if you have an existing Deductible Cover and you wish to buy Private / Public Lite, we will change Deductible Cover to Private / Public Prime.
